Item 4. Purpose of Transaction.

Item 4 is hereby amended to add the following:

On December 17, 2018, the Issuer announced that it entered into a settlement agreement (the “Settlement Agreement”) with Mudrick Capital Management, L.P. (“Mudrick”) and Warlander Asset Management (“Warlander”, and, together with Mudrick, the “Plaintiffs”) on December 14, 2018, with respect to a shareholder action filed against the Issuer, members of the Issuer’s Board of Directors (the “Board”), Thermo Companies, Inc. (“Thermo”), and certain employees of the Issuer in the Court of Chancery of the State of Delaware, captioned *Mudrick Capital Management, LP, et al. v. Monroe, et al.*, C.A. No. 2018-0699-TMR (the “Action”). A summary of the material provisions of the Settlement Agreement is provided below (terms not otherwise defined herein shall have the meanings set forth in the Settlement Agreement):

- The Plaintiffs agreed to release and dismiss with prejudice all claims in the Action.
- The Issuer agreed to conduct an equity offering promptly following entering into the Settlement Agreement pursuant to which shares of its Common Stock will be sold to investors at market price (unless otherwise agreed by the settling parties), as measured by the volume-weighted average closing price of the Issuer's Common Stock during the two (2) business days of trading prior to the pricing of such offering), in an amount of not more than \$60 million (excluding the underwriter's over-allotment option), that is open to all the qualified and readily identifiable holders of the Issuer's Common Stock on a pro rata basis based on their ownership (such offering, the "Financing").
- Each of the Plaintiffs and Thermo have agreed to support the Financing by (i) committing to purchase, upon the signing of the Settlement Agreement, their pro rata share of the financing, on equal terms and based on their respective ownership of the Issuer's outstanding shares (5.6% for the Reporting Persons, 2.8% for Warlander and 53.0% for Thermo) and (ii) upon signing the Settlement Agreement, providing a backstop commitment to purchase the shares offered to persons other than the Plaintiffs and Thermo but not purchased by such persons, on a pro rata basis based on their current respective ownership of the Issuer's outstanding shares (9.1% for the Reporting Persons, 4.6% for Warlander and 86.3% for Thermo).
- The Issuer agreed to amend its Certificate of Incorporation and Bylaws to provide that, so long as Thermo and its affiliates beneficially own at least 45% of the Issuer's outstanding Common Stock, two of the seven members of the Board (the "Minority Directors") will be elected by the vote of a plurality of the holders of the Issuer's Common Stock other than Thermo and its affiliates (the "Independent Stockholders").
- The Plaintiffs have designated Ben Wolff and Keith Cowan as the initial Minority Directors. The parties have agreed that Michael Lovett will be appointed to the Board as an independent director and Tim Taylor will be appointed to the Board as a director. One of the Minority Directors will be appointed to the Issuer's Compensation Committee and one of the Minority Directors will be appointed to the Nominating & Corporate Governance Committee. To permit the addition to the Board of Mr. Wolff, Mr. Cowan, Mr. Lovett and Mr. Taylor, four of the Issuer's current directors agreed upon by the parties, Richard S. Roberts, J. Patrick McIntyre, Kenneth M. Young and John M. R. Kneuer, volunteered to resign from the Board.
- The Issuer agreed to amend its Certificate of Incorporation and Bylaws to provide that, so long as Thermo and its affiliates beneficially own at least 45% of the Issuer's Common Stock, subject to certain exceptions, approval by a majority of shares held by Independent Stockholders is required for any related-party transaction with a value of \$5 million or more between the Issuer and Thermo and its affiliates.
- The Issuer also agreed to amend its Certificate of Incorporation and Bylaws to provide that so long as Thermo and its affiliates beneficially own at least 45% of the Issuer's outstanding Common Stock, the Issuer will maintain a strategic review committee of its Board (the "Strategic Review Committee"). The Strategic Review Committee will consist of the two then-serving Minority Directors and two independent directors appointed by the then-serving Board; provided, however, that, subject to the Minority Directors' right to remove him with or without cause, Mr. Taylor will initially be a member of the Strategic Review Committee. The other initial members of the Strategic Review Committee will be Mr. Wolff, Mr. Cowan and Mr. Hasler.

- To the extent permitted by applicable law, the Strategic Review Committee will have exclusive responsibility for the oversight, review and approval of (i) subject to certain exceptions, any acquisition by Thermo and its affiliates of additional newly-issued securities of the Issuer; (ii) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (iii) any sale or transfer of a material amount of assets of the Issuer or any sale or transfer of assets of any of its subsidiaries which are material to the Issuer; (iv) any further change in the Board, including any plans or proposals to change the number or term of directors (provided that only elections of Minority Directors shall be within the authority of the Strategic Review Committee); (v) subject to certain exceptions, any material change in the present capitalization or dividend policy of the Issuer; (vi) any other material changes in the Issuer's lines of business or corporate structure; and (vii) subject to certain exceptions, any transaction between the Issuer and Thermo and its affiliates with a value in excess of \$250,000. The approval of any of the foregoing transactions will require the vote of at least three members of the Strategic Review Committee.
- Thermo agreed that it will convert all of its outstanding subordinated debt to equity at the contractual conversion price within five business days after any of the following events: (i) the refinancing of 85% or more of the Issuer's bank debt; (ii) extension of the maturity of all of the Issuer's bank debt of two years or more; (iii) a refinancing of at least \$150 million of the Issuer's bank debt with a minimum two year extension on the remaining balance, or (iii) an amortization holiday or holidays pursuant to which the Issuer is relieved of the obligation to make principal payments on the Issuer's bank debt for two years or longer.
- The Issuer also agreed, upon execution of the Settlement Agreement, to publicly issue a press release disclosing the principal terms of the settlement and stating that it is anticipated that the first order of business of the Strategic Review Committee will be to assess financing options for the Issuer's balance sheet.
- An agreement that the Plaintiffs reserve the right to make a petition to the Court for an award of attorneys' fees and expenses; however, any award to Plaintiffs' counsel for fees and expenses shall be determined by the court of the State of Delaware.

The effectiveness of the Settlement Agreement is subject to satisfaction of reasonable due diligence by the Plaintiffs, as well as approval by the Court of Chancery of the State of Delaware. The foregoing description of the settlement is qualified in its entirety by reference to the full text of the Settlement Agreement, a copy of which is attached as Exhibit 99.1.

On December 18, 2018, the Issuer announced a registered underwritten public offering (the "Common Stock Offering") subject to market and other conditions, and through which the Issuer stated that it intends to grant the underwriter a 30-day option to purchase up to \$9 million in additional shares of Common Stock. The Reporting Persons acquired 14,849,954 shares of Common Stock from the Issuer pursuant to the terms of the Common Stock Offering.

The Reporting Persons may consider, explore and/or develop plans and/or make proposals (whether preliminary or firm) with respect to, among other things, potential changes in the Issuer's operations, management, organizational documents, Board composition, ownership, capital or corporate structure, sale transactions, dividend policy, strategy and plans. The Reporting Persons have communicated with, and may in the future communicate with, the Issuer's management and Board about, and may enter into negotiations with them regarding, the foregoing and a broad range of operational and strategic matters and have communicated with, and may in the future communicate with, other shareholders or third parties. The Reporting Persons may exchange information with any such persons pursuant to appropriate confidentiality or similar agreements. The Reporting Persons may change their intentions with respect to any and all matters referred to in this Item 4. They may also take steps to explore and prepare for various plans and actions, and propose transactions, before forming an intention to engage in such plans or actions or proceed with such transactions.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis and depending upon various factors, including without limitation, the Issuer's financial position and strategic direction, the outcome of any discussions referenced above, overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of securities of the Issuer at prices that would make the purchase or sale of such securities desirable, the Reporting Persons may endeavor (i) to increase or decrease their respective positions in the Issuer through, among other things, the purchase or sale of securities of the Issuer, including through transactions involving the shares of Common Stock and/or other equity, debt, notes, other securities, or derivative or other instruments that are based upon or relate to the value of securities of the Issuer in the open market or in private transactions, on such terms and at such times as the Reporting Persons may deem advisable and/or (ii) to enter into transactions that increase or hedge their economic exposure to the shares of Common Stock without affecting their beneficial ownership of shares of Common Stock. In addition, the Reporting Persons may, at any time and from time to time, (A) review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto and (B) consider or propose one or more of the actions described in subparagraphs (a) - (j) of Item 4 of Schedule 13D.
