It is understood, however, that except as provided in this Section and Section 11 entitled "Indemnity and Contribution" below, the Underwriter will pay all of their costs and expenses, including fees and disbursements of their counsel, stock transfer taxes payable on resale of any of the Shares by them and any advertising expenses connected with any offers they may make.

The provisions of this Section 9 shall not supersede or otherwise affect any agreement that the Company and the Selling Shareholder may otherwise have for the allocation of such expenses among themselves

10. *Covenants of the Underwriter.* The Underwriter covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of the Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of the Underwriter.

11. *Indemnity and Contribution.*

(a) The Company and Selling Shareholder, jointly and severally, agree to indemnify and hold harmless the Underwriter, each person, if any, who controls the Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act and each affiliate of the Underwriter within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any preliminary prospectus, the Time of Sale Prospectus or any amendment or supplement thereto, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, any "road show" as defined in Rule 433(h) under the Securities Act (a "road show"), or the Prospectus or any amendment or supplement thereto, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such

losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to the Underwriter furnished to the Company in writing by the Underwriter through you expressly for use therein, which information consists only of the information set forth in Section 11(b). The Company and the Selling Shareholder agree and confirm that references to “affiliates” of Morgan Stanley & Co. LLC that appear in this Agreement shall be understood to include Mitsubishi UFJ Morgan Stanley Securities Co., Ltd.

(b) The Underwriter agrees to indemnify and hold harmless the Company, the Selling Shareholder, the directors of the Company, the officers of the Company who sign the Registration Statement and each person, if any, who controls the Company or the Selling Shareholder within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the foregoing indemnity from the Company and the Selling Shareholder to the Underwriter, but only with reference to information relating to the Underwriter furnished to the Company in writing by the Underwriter through you expressly for use in the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus, any road show, or the Prospectus or any amendment or supplement thereto, which information consists solely of paragraphs 3 and 11 in the “Underwriting” section of the Time of Sale Prospectus and Prospectus.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 11(a) or 11(b), such person (the “**indemnified party**”) shall promptly notify the person against whom such indemnity may be sought (the “**indemnifying party**”) in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Underwriter, in the case of parties indemnified pursuant to Section 11(a), and by the Company, in the case of parties indemnified pursuant to Section 11(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to

indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) To the extent the indemnification provided for in Section 11(a) or 11(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Shareholder on the one hand and the Underwriter on the other hand from the offering of the Shares or (ii) if the allocation provided by clause 11(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 11(d)(i) above but also the relative fault of the Company and the Selling Shareholder on the one hand and of the Underwriter on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Shareholder on the one hand and the Underwriter on the other hand in connection with the offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Shares (before deducting expenses) received by the Selling Shareholder and the total underwriting discounts and commissions received by the Underwriter bear to the aggregate initial public offering price of the Shares set forth in the Prospectus. The relative fault of the Company and the Selling Shareholder on the one hand and the Underwriter on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Selling Shareholder or by the Underwriter and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, Selling Shareholder and the Underwriter agree that it would not be just or equitable if contribution pursuant to this Section 11 were determined

by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 11(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 11(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 11, the Underwriter shall not be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 11 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 11 and the representations, warranties and other statements of the Company and the Selling Shareholders contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Underwriter, any person controlling the Underwriter or any affiliate of the Underwriter, the Selling Shareholder or any person controlling the Selling Shareholder, or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Shares.

12. *Termination.* The Underwriter may terminate this Agreement by notice given by you to the Company and the Selling Shareholder, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, the NYSE American, the NASDAQ Global Market, the Chicago Board of Options Exchange, the Chicago Mercantile Exchange or the Chicago Board of Trade, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets or any calamity or crisis that, in your judgment, is material and adverse and which, singly or together with any other event specified in this clause (vi), makes it, in your judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

13. *Effectiveness.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

14. *Reimbursement of Underwriter Expenses.* If the sale of the Shares provided for in this Agreement is not consummated because of any failure or refusal on the part of the Company or the Selling Shareholder to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company or the Selling Shareholder shall be unable to perform its obligations under this Agreement, the Company and the Selling Shareholder will, jointly and severally, reimburse the Underwriter for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by the Underwriter in connection with this Agreement or the offering contemplated hereunder.

15. *Entire Agreement.*

(a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Shares, represents the entire agreement between the Company and the Selling Shareholders, on the one hand, and the Underwriter, on the other hand, with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Shares.

(b) Each of the Company and the Selling Shareholder acknowledges that in connection with the offering of the Shares: (i) the Underwriter have acted at arm's length, are not agents of, and owe no fiduciary duties to, the Company, Selling Shareholder or any other person, (ii) the Underwriter owe the Company and the Selling Shareholder only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriter may have interests that differ from those of the Company and the Selling Shareholder. The Company and the Selling Shareholder each waives to the full extent permitted by applicable law any claims it may have against the Underwriter arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.

16. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic transmission (i.e., a "pdf") shall be effective as delivery of a manually executed counterpart thereof.

17. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

18. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

19. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriter shall be delivered, mailed or sent to you at the

address set forth in Schedule II hereto; if to the Company shall be delivered, mailed or sent to the address set forth in Schedule II hereto and if to the Selling Shareholder shall be delivered, mailed or sent to the address set forth in Schedule II hereto.

To induce the Underwriter to continue its efforts in connection with the Public Offering, the undersigned hereby agrees that, without the prior written consent of Morgan Stanley, it will not, during the period commencing on the date hereof and ending [90][75]¹ days after the date of the final prospectus (the “**Restricted Period**”) relating to the Public Offering (the “**Prospectus**”), (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock beneficially owned (as such term is used in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”)), by the undersigned or any other securities so owned convertible into or exercisable or exchangeable for Common Stock, (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise, or (3) publicly disclose the intention of doing any of the foregoing in clauses (1) and (2). The foregoing sentence shall not apply to (a) transactions relating to shares of Common Stock or other securities acquired in open market transactions after the completion of the Public Offering; *provided* that no filing under Section 16(a) of the Exchange Act shall be required or shall be voluntarily made in connection with

subsequent sales of Common Stock or other securities acquired in such open market transactions, (b) transfers of shares of Common Stock or any security convertible into Common Stock as a bona fide gift, or (c) distributions of shares of Common Stock or any security convertible into Common Stock to members, limited partners, stockholders or holders of similar equity interests of, or to any other affiliate or entity controlled or managed by, or under common control or management with, the undersigned; *provided* that in the case of any transfer or distribution pursuant to clause (b) or (c), (i) each donee or distributee shall sign and deliver a lock-up letter substantially in the form of this letter and (ii) no filing under Section 16(a) of the Exchange Act or other public announcement, reporting a reduction in beneficial ownership of shares of Common Stock, shall be required or shall be voluntarily made during the Restricted Period[,] [or] (d) the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the transfer of shares of Common Stock; *provided* that (i) such plan does not provide for the transfer of Common Stock during the Restricted Period and (ii) to the extent a public announcement or filing under the Exchange Act, if any, is required of or voluntarily made by or on behalf of the undersigned or the Company regarding the establishment of such plan, such announcement or filing shall include a statement to the effect that no transfer of Common Stock may be made under such plan during the Restricted Period [or (e) the transfer of shares of Common Stock to the Company upon the exercise of options or warrants, on a “cashless” or “net exercise” basis or to cover tax withholding obligations of the undersigned in connection with such exercise; *provided* that no filing under Section 16(a) of the Exchange Act or other public announcement shall be required or shall be voluntarily made during the Restricted Period (other than a filing on Form 4 that clearly indicates such transfer was made in order to satisfy “cashless,” “net exercise” or tax withholding obligations in connection with the exercise of shares of Common Stock)]². In addition, the undersigned agrees that, without the prior written consent of Morgan Stanley, it will not, during the Restricted Period, make any demand for or exercise any right with respect to, the registration of any shares of Common Stock or any security convertible into or exercisable or exchangeable for Common Stock or publicly disclose the intention of doing any of the foregoing. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company’s transfer agent and registrar against the transfer of the undersigned’s shares of Common Stock except in compliance with the foregoing restrictions.

The undersigned understands that the Company and the Underwriter are relying upon this agreement in proceeding toward consummation of the Public Offering. The undersigned further understands that this agreement is irrevocable and shall be binding upon the undersigned’s heirs, legal representatives, successors and assigns.

Whether or not the Public Offering actually occurs depends on a number of factors, including market conditions. Any Public Offering will only be made pursuant to an Underwriting Agreement, the terms of which are subject to negotiation between the Company and the Underwriter.

FORM OF TAFT STETTINIUS & HOLLISTER LLP OPINION AND NEGATIVE ASSURANCE LETTER

[●], 2017

MORGAN STANLEY & CO. LLC
1585 Broadway
New York, New York 10036

Re: Globalstar, Inc.

Ladies and Gentlemen:

We have acted as counsel to Globalstar, Inc., a Delaware corporation (the “Company”), in connection with the preparation and filing of the Company’s Registration Statement on Form S-3ASR, Registration No. 333-220800, under the Securities Act of 1933, as amended (the “Securities Act”), and related prospectus and prospectus supplement filed pursuant to Rules 430B and 424(b) under the Securities Act, relating to the sale by FL Investment Holdings LLC (the “Selling Shareholder”) of 38,000,000 shares of the Company’s voting common stock (the “Shares”). This opinion is addressed to you pursuant to Section 6(d) of the Underwriting Agreement dated [●], 2017 (the “Underwriting Agreement”) between the Company, the Selling Shareholder and you, as Underwriter. All capitalized terms used herein without definition shall have the respective meanings assigned to them in the Underwriting Agreement.

We have reviewed the Amended and Restated Certificate of Incorporation and the Amended and Restated Bylaws (or similar documents) of the Company and its subsidiaries identified on Annex I hereto (the “Subsidiaries”). We have examined the Registration Statement; the Company’s prospectus dated [●], 2017 filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations; the Company’s preliminary prospectus related to the Common Stock dated [●], 2017 filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations; the final prospectus supplement related to the Common Stock dated [●], 2017; and the Underwriting Agreement. We have relied, and we believe we and you are justified in relying, as to certain matters of fact upon certificates of officers of the Company and the Subsidiaries, upon certificates of certain public officials and upon the representations and warranties made by the Company in the Underwriting Agreement.

We express no opinion with respect to any laws other than the laws of the State of New York, the General Corporation Law and Limited Liability Company Act of the State

of Delaware, the Limited Liability Company Act of the State of Colorado, and the federal laws of the United States of America.

Based upon the foregoing, we are of the following opinion:

(i) The Company has been duly incorporated, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has the corporate power and authority to own its property and to conduct its business as described in the Time of Sale Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and the Subsidiaries taken as a whole;

(ii) each Subsidiary has been duly incorporated, organized, or formed, as applicable, is validly existing as a corporation or other business entity in good standing under the laws of the jurisdiction of its incorporation, organization or formation has the corporate or other business entity power and authority to own its property and to conduct its business as described in the Time of Sale Prospectus and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the Company and the Subsidiaries taken as a whole;

(iii) the authorized capital stock of the Company conforms as to legal matters to the description thereof contained in each of the Time of Sale Prospectus and the Prospectus;

(iv) the shares of Common Stock have been duly authorized and are validly issued, fully paid and non-assessable;

(v) all of the issued shares of capital stock of each Subsidiary have been duly and validly authorized and issued, are fully paid and non-assessable and are owned directly by the Company, free and clear of all liens, encumbrances, equities or claims other than the pledges of certain Subsidiary equity to the Company's senior lender;

(vi) the Shares have been duly authorized and validly issued, fully paid and non-assessable, and the sale of the Shares will not be subject to any preemptive or similar rights;

(vii) the Underwriting Agreement has been duly authorized, executed and delivered by the Company;

(viii) the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Underwriting Agreement will not contravene any provision of applicable law or the Amended and Restated Certificate of Incorporation or

Amended and Restated Bylaws of the Company or, to the best of our knowledge, any agreement or other instrument binding upon the Company or any of the Subsidiaries that is material to the Company and the Subsidiaries, taken as a whole, or, to the best of our knowledge, any judgment, order or decree of any governmental body, agency or court having jurisdiction over the Company or any Subsidiary, and no consent, approval, authorization or order of, or qualification with, any governmental body or agency is required for the performance by the Company of its obligations under the Underwriting Agreement, except such as may be required by the securities or Blue Sky laws of the various states in connection with the offer and sale of the Shares;

(ix) the statements relating to legal matters, documents or proceedings included in (A) the Time of Sale Prospectus, the Prospectus and the Registration Statement under the captions “Material United States Federal Income Tax Consequences to Non-U.S. Holders,” “[_____],” and “Description of Capital Stock,” (B) the Prospectus under the caption “Underwriting” and (C) the Registration Statement in Item 15, in each case fairly summarize in all material respects such matters, documents, proceedings or laws, as applicable;

(x) after due inquiry, our firm does not know of any legal or governmental proceedings pending or threatened to which the Company or any of the Subsidiaries is a party or to which any of the properties of the Company or any of the Subsidiaries is subject that are required to be described in the Registration Statement or the Prospectus and are not so described or of any statutes, regulations, contracts or other documents that are required to be described in the Registration Statement or the Prospectus or to be filed as exhibits to the Registration Statement that are not described or filed as required;

(xi) the Company is not, and after giving effect to the offering and sale of the Shares will not be, required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended; and

(xii) (A) in our opinion (1) each document filed pursuant to the Exchange Act and incorporated by reference in the Time of Sale Prospectus or the Prospectus (except for the financial statements and financial schedules and other financial data included therein, as to which we do not express any opinion) appeared on its face to be appropriately responsive as of its filing date in all material respects to the requirements of the Exchange Act and the applicable rules and regulations of the Commission thereunder, and (2) the Registration Statement and the Prospectus (except for the financial statements and financial schedules and other financial data included therein as to which we do not express any opinion) appear on their face to be appropriately responsive in all material respects to the requirements of the Securities Act and the applicable rules and regulations of the Commission thereunder, and (B) nothing has come to our attention that causes us to believe that (1) any part of the Registration Statement, when such part became effective, (except for the financial statements and financial schedules and other financial data included therein as to which we do not express any belief) contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein

or necessary to make the statements therein not misleading, (2) the Registration Statement or the Prospectus (except for the financial statements and financial schedules and other financial data included therein as to which we do not express any belief) on the date of this Agreement contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (3) the Time of Sale Prospectus (except for the financial statements and financial schedules and other financial data included therein, as to which we do not express any belief) as of the date of this Agreement or as amended or supplemented, if applicable, as of the Closing Date contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made not misleading or (4) the Prospectus (except for the financial statements and financial schedules and other financial data included therein, as to which we do not express any belief) as amended or supplemented, if applicable, as of the Closing Date contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made not misleading.

Whenever a matter is noted as being “to our knowledge” or equivalent words, such knowledge is limited to the actual knowledge of those lawyers in our firm who have been involved in matters relating to the Company or who have provided substantive legal services on behalf of the Company.

(ii) the execution and delivery by the Selling Shareholder of, and the performance by the Selling Shareholder of its obligations under, the Underwriting Agreement will not contravene any provision of applicable law, or the articles of formation or limited liability company agreement of the Selling Shareholder, or, to the best of our knowledge, any agreement or other instrument binding upon the Selling Shareholder or, to the best of our knowledge, any judgment, order or decree of any governmental body, agency or court having jurisdiction over the Selling Shareholder, and no consent, approval, authorization or order of, or qualification with, any governmental body or agency is required for the performance by the Selling Shareholder of its obligations under the Underwriting Agreement, except such as may be required by the securities or Blue Sky laws of the various states in connection with offer and sale of the Shares;

December [●], 2017

Re: Globalstar, Inc.

Ladies and Gentlemen:

We have acted as federal communications regulatory counsel to Globalstar, Inc., a Delaware corporation, and its direct and indirect subsidiaries, listed in Schedule 1 (the “Company”), in connection with the preparation of the Preliminary Prospectus Supplement dated December [●], 2017 and filed by the Company with the Securities and Exchange Commission (the “SEC”) on December [●], 2017, the Final Prospectus Supplement dated December [●], 2017 and filed by the Company with the SEC on December [●], 2017, and the Registration Statement on Form S-3 (File No. 333-220800) filed by the Company with the SEC on October 4, 2017, and the related Underwriting Agreement dated December [●], 2017 (the “Underwriting Agreement”) between Globalstar, Inc., FL Investment Holdings LLC and Morgan Stanley & Co. LLC (collectively referred to as the “Transaction Documents”).

This opinion is being delivered upon the request of Morgan Stanley & Co. LLC pursuant to Section 6(f) of the Underwriting Agreement. Each capitalized term used but not defined herein shall have its respective meaning set forth in the Transaction Documents.

As federal communications regulatory counsel to the Company, we address only matters concerning the Transaction and related issues that are within the jurisdiction of the Federal Communications Commission (“FCC”) under the Communications Act of 1934, as amended, 47 U.S.C. § 151, et seq. (the “Communications Act”) and the rules, regulations, and published and publicly available orders and policies of the FCC. We express no opinion as to any other federal, state, or local laws, statutes, rules, or regulations, including, but not limited to, bankruptcy laws, state or local public utility and other laws, regulations, rules or policies that may be applicable to the operations of the Company. The opinions expressed herein do not address the effect, if any, of pending legislation or of proceedings before the FCC of general applicability to the mobile satellite service (“MSS”) industry or any proceeding before any court to which the Company is a party.

All statements as to factual matters underlying the opinions set forth herein are based upon our knowledge as of the date hereof. No inference as to our knowledge of the existence or absence of any fact should be drawn from the fact of our representation of the Company. Our opinions are limited strictly to the matters stated herein and no opinions may be inferred or are implied beyond the matters expressly stated herein. We have assumed no obligation to advise you with respect to any matters apart from the opinions specifically expressed herein.

Subject to the qualifications, assumptions, limitations and exceptions set forth herein, we are of the opinion that:

1. The Company and the subsidiaries identified in Schedule 1¹ to this opinion currently hold the Regulatory Authority licenses, certificates, permits, registrations and authorizations identified in Schedule 2² to this opinion (the “Communications Licenses”).

2. The Communications Licenses are Validly Issued and in Full Force and Effect, except where the invalidity and/or failure to be in Full Force and Effect of a Communications License would not have a material adverse effect on the Company and its Subsidiaries, taken as a whole. The phrase “Validly Issued” means that the Communications Licenses have been issued by means of regular procedures of the FCC, and there is no legal basis under the Federal Telecommunications Laws to conclude that the Company or its subsidiaries cannot hold one or more of the Communications Licenses as a matter of law. The phrase “Full Force and Effect” means: (i) the order issuing the Communications Licenses has become effective under the applicable Federal Telecommunications Laws; (ii) the Communications Licenses contain no conditions except for such conditions explicitly stated in the Communications Licenses or those imposed by the Federal Telecommunications Laws on holders of licenses similar to the Communications Licenses; (iii) no stay of effectiveness on any orders granting the Communications Licenses has been issued; and (iv) the Communications Licenses have not expired on their own terms or been invalidated by any subsequent action of the FCC. The phrase “Federal Telecommunications Laws” means, collectively, certain United States telecommunications regulatory matters involving the Communications Act and the rules, regulations, and published policies, procedures, orders and decisions thereunder.

¹ See attached Schedule 1 listing Globalstar and licensee subsidiaries.

² See attached Schedule 2 listing Licenses and Authorizations granted by the FCC (“Communications Licenses”).

3. There is no outstanding adverse judgment, decree or order that has been issued by the FCC against the Company and/or its subsidiaries which, singly or in the aggregate, would reasonably be expected to have a material adverse effect on the Company and its subsidiaries, taken as a whole; and neither the Company nor any of its subsidiaries is the subject of or has been threatened in writing with any proceedings before the FCC, the unfavorable outcome of which would reasonably be expected to result in the revocation, modification or non-renewal of any such Communications Licenses or that would reasonably be expected to otherwise have a material adverse effect on the operation of the Company and its subsidiaries, taken as a whole.

4. We have reviewed the Underwriting Agreement and Time of Sale Prospectus, the Prospectus, and the Registration Statement (collectively, the “Transaction Documents”). Based on representations from the Company, we understand that, from a regulatory perspective, the Transaction Documents contain all information relevant to the contemplated transaction. We have assumed, as to matters of fact, the truthfulness of the representations made in the Transaction Documents. Based on our review of the Transaction Documents, we believe that the execution and delivery by the Company of, and the performance by the Company of its obligations under the Transaction Documents (i) do not violate the Federal Telecommunications Laws, except where such violation would not reasonably be expected to have a material adverse effect on the business of the Company, taken as a whole, and (ii) will not result in any revocation, modification or non-renewal of any of the Communications Licenses.

5. Based on our review of the Transaction Documents, we believe that no authorization or approval or other action by, and no notice to or filing with, the FCC is required for the execution and delivery by the Company of, and the performance by the Company of its obligations under, the Underwriting Agreement and the consummation of the transactions contemplated thereby and by the Transaction Documents, except for such approvals that have been obtained or notices given.

6. Insofar as the disclosures related to the Federal Telecommunications Laws as disclosed in the Form 10-K and 10-Q for Q3 incorporated by reference into the Transaction Documents and the Final Prospectus Supplement under the caption “*Risks Related to Government Regulations—Our business is subject to extensive government regulation, which mandates how we may operate our business and may increase our cost of providing services, slow our expansion into new markets and subject our services to additional competitive pressures*” and “*Our business plan to use our licensed MSS spectrum to provide terrestrial wireless services depends upon action by third parties, which we cannot control*” and “*Business – Our Spectrum and Regulatory Structure - Terrestrial Use of Globalstar Spectrum*” constitute a summary of the Federal Telecommunications Laws, such summary is accurate and fairly summarizes the Federal Telecommunications Laws to the extent therein described.

This opinion is being furnished subject to the qualifications, assumptions, limitations and exceptions expressed herein and may be relied upon by you only with

respect to the specific matters that are the subject hereof. This opinion is rendered only to you and is solely for your benefit in connection with the transaction expressly addressed herein, and may not be copied, delivered to, or relied upon by anyone other than you, or by you with respect to any other transactions or for any other purpose, without the express written consent of this firm.

This opinion is based on statutory laws and judicial decisions that are effective on the date hereof, and we do not opine with respect to any law, regulation, rule or governmental policy which may be enacted, adopted, or become effective after the date hereof. We disclaim any responsibility or duty to conduct any further investigation of the matters addressed herein after the date of this opinion, and we undertake no responsibility or duty to advise you of any changes which might occur after the date hereof.

Very truly yours,

FORM OF WATSON FARLEY & WILLIAMS LLP REGULATORY OPINION

Morgan Stanley & Co. LLC

Re: Globalstar, Inc.

Ladies and Gentlemen,

We have acted as communications regulatory counsel for Globalstar, Inc., a Delaware corporation, and its direct and indirect subsidiaries, listed in Schedule 1 (collectively, the “**Company**”), in connection with the preparation of the Preliminary Prospectus Supplement dated December [●], 2017 and filed by the Company with the Securities and Exchange Commission (the “SEC”) on December [●], 2017, the Final Prospectus Supplement dated December [●], 2017 and filed by the Company with the SEC on December [●], 2017, and the Registration Statement on Form S-3 (File n°333-220800) filed by the Company with the SEC on October 4, 2017, and the related Underwriting Agreement dated December [●], 2017 (the “**Underwriting Agreement**”) between Globalstar, Inc. and Morgan Stanley & Co. LLC (collectively referred to as the “**Transaction Documents**”), and have represented the Company before the *French Ministry in charge of Space Activities (MESR)*, the *French Ministry in charge of telecoms*, the *Autorité de Régulation des Communications Electroniques et des Postes (ARCEP)* and the *Agence Nationale des Fréquences (ANF)* (collectively, the “**French Regulatory Authorities**”) since 2002.

This opinion is being delivered upon the request of Morgan Stanley & Co. LLC pursuant to Section 6(e) of the Underwriting Agreement. In rendering this opinion, we are engaged and acting solely as communications regulatory counsel for the Company, and we are not engaged or acting as counsel of any type for you or any other person or entity. Each capitalized term used but not defined herein shall have its respective meaning set forth in the Transaction Documents. When used herein, “or” shall mean “and/or” unless the context otherwise requires.

This opinion is limited strictly to matters arising under the French *Code des Postes et des Communications Electroniques* and the French Space Act dated 3 June 2008, and the published statutes, rules, regulations, and policies, procedures, opinions, orders, decisions and any other applicable law promulgated thereunder by the French Regulatory Authorities, as above listed (collectively, the “**Communications Laws**”), and we express no opinion on any other matter whatsoever.

Furthermore, this opinion is limited to the opinions expressly stated herein. No implication shall be drawn from anything herein that has the effect of extending any such opinion beyond what is expressly stated in such opinion.

We have reviewed the Transaction Documents. In rendering this opinion, we have assumed without investigation the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents examined by us, whether or not they are originals, the conformity of all copies or facsimile transmissions to the originals of the same, whether or not they are certified to be true copies, and the accuracy and completeness of all public records, including but not limited to those of the French Regulatory Authorities.

The opinion expressed in this letter is based on the current law and facts presently known to us, and are not guarantees or assurances of any future fact, event, occurrence, omission, or condition or that any law, statute, rule, regulation, policy, order, case, or interpretation of the same will not change in the future. Moreover, this opinion addresses matters only as of the date of this opinion and we specifically disclaim all responsibility whatsoever for advising you of changes in matters addressed herein occurring after such date.

We have undertaken no on-site inspection or visual or aural monitoring whatsoever of the Company, the properties of the Company, or the communications facilities or services of the Company, and, except as otherwise specifically stated herein, we have undertaken no independent inquiry whatsoever of any of the matters addressed in this opinion.

Based on the foregoing, and subject in all respects to the qualifications and limitations set forth in this letter, we are of the opinion that:

1. The Company currently holds the licenses, certificates, permits, registrations and authorizations identified in Schedule 2 to this opinion (the “**Communications Licenses**”).

2. The Communications Licenses are Validly Issued and in Full Force and Effect, except where the invalidity and/or failure to be in Full Force and Effect of a Communication License would not have a material adverse effect on the Company, taken as a whole. The phrase “**Validly Issued**” means that the Communications Licenses have been issued by means of regular procedures of the French Regulatory Authorities, as applicable, and applied in conformity with the Communications Laws, and there is no legal basis under the Communications Laws to conclude that the Company cannot hold one or more of the Communications Licenses as a matter of law. The phrase “**Full Force and Effect**” means: (i) the order issuing the Communications Licenses has become effective under the applicable Communications Law; (ii) the Communications Licenses contain no conditions except for such conditions imposed generally by the Communications Law on holders of licenses similar to the Communications Licenses and particularly, no requirement to obtain any prior approval for an equity raise; there are no explicit provisions in the Communications Laws or in the Communications Licenses themselves for any license to be revoked or not renewed by the French Regulatory Authorities due to a company engaging in an equity raise; (iii) no stay of effectiveness on any orders granting the Communications Licenses has been issued;

and (iv) the Communications Licenses have not expired on their own terms or been invalidated by any subsequent action of the French Regulatory Authorities.

3. There is no outstanding adverse judgment, decree or order that has been issued by the French Regulatory Authorities against the Company which, singly or in the aggregate, would reasonably be expected to have a material adverse effect on the Company; and the Company is not the subject of nor has been threatened in writing with any proceedings before the French Regulatory Authorities, the unfavourable outcome of which would reasonably be expected to result in the revocation, modification or non-renewal of any such Communications Licenses or that would reasonably be expected to otherwise have a material adverse effect on the operation of the Company.

4. (i). No approval, authorization, consent or license is required to be obtained by Globalstar Europe SAS from and no notice to or filing with the French Regulatory Authorities under French law and in accordance with the Communication Laws for the consummation of the transactions contemplated by the Transaction Documents, (ii). except for notices to the French Regulatory Authorities that have already been given in relation with the Transaction.

5. Subject to 4(ii) above, the execution, delivery and performance of the Transaction Documents by the Company do not violate the Communications Laws and will not result in any revocation, modification or non-renewal of any of the Communications Licences.

Insofar as the disclosures related to the Communications Licenses as disclosed in the Prospectus and the Form 10-K and 10-Q for Q3 incorporated by reference into the Transaction Documents under the caption “Business - Our Spectrum and Regulatory Structure,” “Risk Factors - If our French regulator revokes, modifies or fails to renew or amend our licenses, our ability to operate may be curtailed” and “Risk Factors - Other future regulatory decisions could reduce our existing spectrum allocation or impose additional spectrum sharing agreements on us, which could adversely affect our services and operations” constitute a summary of the Communication Licenses, such summary is accurate and fairly summarizes the Communications Licenses held by Globalstar Europe SAS in France.

This opinion is (i) solely for your information in connection with the transactions contemplated in the Transaction Documents, (ii) not to be relied on by any other person or entity other than you for any reason whatsoever, (iii) not to be quoted in whole or in part or otherwise referred to in any document except as directly a part of and related to such transactions, and (iv) except as otherwise required by applicable law, not to be filed with or provided to any government agency or any other entity or person whatsoever.

Yours faithfully,

Watson, Farley & Williams LLP
