- (b) the Borrower agrees that it is bound by the terms of the Amended and Restated Facility Agreement, the Amended and Restated Accounts Agreement and the Amended and Restated Thermo Subordination Deed applicable to it;
- (c) Thermo agrees that it is bound by the terms of the Amended and Restated Thermo Subordination Deed applicable to it;
- (d) each Subsidiary Guarantor (including each Additional Subsidiary Guarantor) agrees that it is bound by the terms of the Amended and Restated Guarantee Agreement;
- (e) each Subsidiary Guarantor irrevocably and unconditionally confirms that its guarantee and indemnity under clause 2.1 (*Guarantee and Indemnity*) of the Amended and Restated Guarantee Agreement:
  - (i) continues in full force and effect on the terms of the Amended and Restated Guarantee Agreement; and
  - (ii) extends to the liabilities and obligations of the Obligors under the Finance Documents (as such term is defined in the Amended and Restated Facility Agreement and including the Restructuring Documents);
- (f) each Obligor confirms that any Lien created by it under the Security Documents extends to the liabilities and obligations of the Obligors under the Finance Documents (as such term is defined in the Amended and Restated Facility Agreement and including the Restructuring Documents) subject to any limitations set out in the Security Documents;

- (g) each Obligor confirms that the obligations of the Obligors arising under the Finance Documents (as such term is defined in the Amended and Restated Facility Agreement and including the Restructuring Documents) are included in the definition of the relevant secured obligations (howsoever defined) for the purposes of the Security Documents; and
- (h) each Obligor confirms that, to the extent permitted by law, the Liens created under the Security Documents continue in full force and effect on the terms of the Security Documents (as such Security Documents may have been amended and/or restated pursuant to the Restructuring Documents).

## **6. Disapplication of Provisions**

### **6.1 Disapplication of Certain Terms**

- (a) As from the Effective Date (and following the application of the amounts standing to the credit of the Thermo Contingent Equity Account pursuant to Clause 7.2 (*Contingent Equity and DSRA Funds*)), the Parties agree that the Borrower Contingent Equity Account, the Thermo Contingent Equity Account, the Capital Expenditure Account, the Convertible Note Reserve Account and the Distribution Account (each as defined in the Original Accounts Agreement and together, the “**Relevant Accounts**”) and the Supplier Guarantee (as such term is defined in the Original Facility Agreement) shall no longer be required for the purposes of the transactions contemplated in the Finance Documents and, to the extent not amended pursuant to the provisions of the Restructuring Documents, all references to the Relevant Accounts and the Supplier Guarantee and all related terms shall be disappplied for the purposes of the Finance Documents.
- (b) In connection with such disapplication referred to in paragraph (a) above, the Security Agent hereby irrevocably and unconditionally with effect from the Effective Date (subject to the application of the amounts standing to the credit of the Thermo Contingent Equity Account pursuant to the provisions of Clause 7.2 (*Contingent Equity and DSRA Funds*)) releases, without recourse or warranty, all rights pledged to it in respect of the Relevant Accounts pursuant to the provisions of the Borrower Pledge of Bank Accounts and the Thermo Pledge of Bank Accounts (as such terms are defined in the Original Facility Agreement).

### **6.2 Removal of Thermo from Accounts Agreement**

On and from the Effective Date, and as set out in the Amended and Restated Accounts Agreement, Thermo shall be removed as a party from the Amended and Restated Accounts Agreement and shall no longer have any obligations thereunder, save to the extent that such obligations were incurred during, or are attributable to, the period prior to the Effective Date. For the avoidance of doubt, no consent shall be required from Thermo in connection with any amendment to the Amended and Restated Accounts Agreement after the Effective Date.

## **7. Other Provisions**

### **7.1 Further Utilisation of Facilities**

- (a) Notwithstanding that:
  - (i) the Availability Period ended on 31 December 2012;
  - (ii) there are currently Defaults existing under the Finance Documents;
  - (iii) the proposed Utilisation Date will not be a Business Day within the Availability Period; and

- (iv) the undrawn amount of the Total Commitments has been cancelled pursuant to clause 5.7 (*Cancellation of Commitment*) of the Original Facility Agreement (the “**Relevant Commitments**”),

the Parties agree that following the occurrence of the Effective Date, the Relevant Commitments shall be reinstated solely for the purpose of the Borrower making a Utilisation on the Effective Date and the Borrower shall utilise all amounts in respect of the Facilities not previously utilised, being an amount of US\$672,133.33 (the “**Effective Date Utilisation**”), such Effective Date Utilisation to be applied towards payment by the Borrower of any amounts then due and owing by it to the Supplier and/or the Launch Services Provider, *provided that* the Effective Date Utilisation shall not exceed the aggregate amount of any amounts payable to the Supplier and the Launch Services Provider.

- (b) In connection with the Effective Date Utilisation, the Borrower shall provide to the COFACE Agent, as conditions precedent to the occurrence of the Effective Date, the following:
  - (i) a signed but undated Utilisation Request instructing the COFACE Agent to remit the Effective Date Utilisation on the date falling five (5) Business Days after the Effective Date to the Supplier and/or the Launch Services Provider’s account, as the case may be, as payment of any amounts then due and payable by the Borrower to such party;
  - (ii) an authorisation to the COFACE Agent to date the Utilisation Request immediately upon the occurrence of the Effective Date; and
  - (iii) evidence of the amounts owing by the Borrower to the Supplier and/or the Launch Services Provider under the Satellite Construction Contract and/or the Launch Services Contract.
- (c) Provided that:
  - (i) each of the conditions precedent set out in clause 4.2 (*Further conditions precedent*) of the Amended and Restated Facility Agreement have been satisfied or waived by the COFACE Agent (acting on the instructions of all the Lenders); and
  - (ii) the Effective Date has occurred,

the Borrower hereby irrevocably authorises and mandates the COFACE Agent (on its behalf and for its account) to pay the proceeds of the Effective Date Utilisation as a direct disbursement to the Supplier and/or the Launch Services Provider (as directed by the Borrower) and the Borrower agrees that the Effective Date Utilisation shall be deemed to have been made to or for the benefit of the Borrower and the Borrower waives all rights of protest it may have to the contrary.

## 7.2 Contingent Equity and DSRA Funds

Notwithstanding any provisions of the Finance Documents to the contrary, the Parties agree that upon the Effective Date:

- (a) *firstly*, any amounts standing to the credit of the Thermo Contingent Equity Account; and

- (b) *secondly*, an amount of up to US\$234,100 standing to the credit of the Debt Service Reserve Account, which is the amount by which the balance of the Debt Service Reserve Account exceeds the DSRA Required Balance under the Amended and Restated Facility Agreement as of the Effective Date,

shall be paid directly to the Launch Services Provider towards payment of any amounts that may be owing by the Borrower to the Launch Services Provider pursuant to the Launch Services Contract *provided that* the aggregate of the amounts set out in paragraphs (a) and (b) above shall not exceed the amount due to the Launch Services Provider as of the Effective Date. The Borrower shall provide to the COFACE Agent evidence of the amounts owing by the Borrower to the Launch Services Provider under the Launch Services Contract and, following payment thereof, confirmation from the Launch Services Provider of the receipt of such payment. The Borrower hereby authorises the payment of the amounts referred to in paragraphs (a) and (b) above by the Offshore Account Bank from the Thermo Contingent Equity Account and the Debt Service Reserve Account respectively.

### 7.3 Delegation Agreement Amendment Agreements

The Borrower shall use its commercially reasonable efforts to procure that each of the Supplier and the Launch Services Provider shall enter into a Delegation Agreement Amendment Agreement with the Borrower and the Security Agent within thirty (30) days of the Effective Date. Upon execution of each of the Delegation Agreement Amendment Agreements, the COFACE Agent must receive:

- (a) from the Borrower, any items required by the COFACE Agent in connection with the execution of such Delegation Agreement Amendment Agreement of the type set out in paragraph 4 (*Security Matters*) of Schedule 3 (*Conditions Precedent to the Effective Date*);
- (b) a legal opinion of White & Case LLP (advisers to the Lenders) as to matters of the laws of France and confirming, among other things, the validity and enforceability of the relevant Delegation Agreement Amendment Agreement; and
- (c) from the Borrower, a legal opinion of Taft Stettinus & Hollister LLP (advisers to the Borrower) confirming, among other things, the due authorisation by the Borrower of its execution of the relevant Delegation Agreement Amendment Agreement,

in each case, in form and substance satisfactory to the COFACE Agent.

### 7.4 Equity Commitments

As of the Effective Date, Thermo agrees to restate in this Deed certain of its obligations in respect of its Equity Commitments under section 2 (*Equity Commitments*) of the Restructuring Support and Consent Agreement in the following terms:

- (a) as a condition precedent to the entry into any Guarantee Obligation of the Subsidiary Guarantors of the type set out in clause 22.1(l) (*Limitations on Financial Indebtedness*) of the Amended and Restated Facility Agreement, on or prior to 26 December 2013, Thermo agrees to make, or cause to be made, available, and shall fund to the Borrower, an aggregate amount of cash (which shall be in addition to the Initial Minimum Cash Commitment, the Effective Date Commitment and the 2013 Closing Commitment) equal to US\$20,000,000 (the “**2013 Year-End Commitment**”). For the avoidance of doubt, any funds raised prior to 26 December 2013 by Thermo (or any third party Equity Issuances (*but* excluding any Equity Issuance involving Terrapin)) and contributed to the Borrower in excess of the Initial Minimum Cash Commitment, the Effective Date Commitment and the 2013 Closing Commitment may be included in the calculation of the 2013 Year-End Commitment; and

- (b) on or prior to 31 December 2014, Thermo agrees to make, or cause to be made, available, and shall fund to the Borrower, an aggregate amount of cash (which amount shall be in addition to the Effective Date Commitment, the Initial Minimum Cash Commitment, the 2013 Closing Commitment and the 2013 Year-End Commitment) equal to US\$20,000,000 *minus* the amount by which:
- (i) the amount of cash actually received by the Borrower in connection with the Initial Minimum Cash Commitment, the 2013 Closing Commitment and the 2013 Year-End Commitment; *exceeds*
  - (ii) US\$40,000,000,

(the “**2014 Anticipated Equity Financing**”). For the avoidance of doubt, any amount raised prior to 31 December 2014 by Thermo (or any third party Equity Issuances (*but* excluding any Equity Issuance involving Terrapin)) and contributed to the Borrower in excess of the Initial Minimum Cash Commitment, the Effective Date Commitment, the 2013 Closing Commitment and the 2013 Year-End Commitment may be included in the calculation of the 2014 Anticipated Equity Financing; and

- (c) for the avoidance of doubt, the amount of Thermo’s payments with respect to the 2013 Closing Commitment, the 2013 Year-End Commitment and the 2014 Anticipated Equity Financing shall be reduced by the proceeds received by the Borrower from any financing received by the Borrower pursuant to any third party Equity Issuances (*but excluding* any Equity Issuance involving Terrapin).

Thermo acknowledges and agrees that its obligations to fund the commitments set out in paragraphs (a) and (b) above to the Borrower shall be irrevocable.

## **8. Continuity, Waivers and Further Assurance**

### **8.1 Continuing Obligations**

- (a) The provisions of each of the Original Facility Agreement, the Original Accounts Agreement, the Original Guarantee Agreement and the Original Thermo Subordination Deed shall, save as amended hereby, continue in full force and effect.
- (b) For the avoidance of doubt, this Deed shall not constitute an assignment or novation of any of the rights and obligations of any party to the Original Facility Agreement, the Original Accounts Agreement, the Original Guarantee Agreement or the Original Thermo Subordination Deed, nor shall it constitute an amendment to any Security Document in place at the date of this Deed, each of whose terms shall remain in full force and effect (save as otherwise amended by any other Restructuring Document).

### **8.2 Waivers of Existing Defaults**

- (a) The Borrower confirms that the list of Defaults and Events of Default as set out in the Defaults Side-Letter (the “**Existing Defaults**”) is a complete list of all such Defaults and Events of Default existing under the Finance Documents as of the date of this Deed.
- (b) The Lenders agree that on and from the Effective Date, all Existing Defaults (to the extent that such Existing Defaults are continuing) shall be permanently waived.
- (c) Subject to paragraph (d) below and for the avoidance of doubt, the waiver contained in this Clause 8.2 shall extend solely to the Existing Defaults which have occurred as of the date of this Deed and shall not apply to any Defaults or Events of Default which first occur following the date of this Deed (including those of a similar nature to the Existing Defaults).

- (d) If:
- (i) any Defaults or Events of Default arise during the period from the date of this Deed to the Effective Date (the “**Relevant Defaults**”); and
  - (ii) the COFACE Agent receives a written request from the Borrower requesting the designation of the Relevant Defaults as Existing Defaults,

then the COFACE Agent may, acting on the instructions of each Lender, agree in writing to designate the Relevant Defaults as “*Existing Defaults*” for the purposes of this Deed.

### **8.3 Further Assurance**

The Borrower shall, at the request of the COFACE Agent and at its own expense, do all such acts and things necessary or desirable to give effect to the amendments effected or to be effected pursuant to this Deed and the other Restructuring Documents.

### **9. Release**

As of the Effective Date and to the maximum extent permitted by Applicable Law, the Borrower and each of its Affiliates hereby release the Finance Parties, and each of their respective affiliates, partners, trustees, shareholders, representatives, attorneys-in-fact, controlling persons, employees, officers, directors, agents, attorneys and advisors, from all claims, demands, disputes, objections, liabilities or obligations whether based in contract, tort or any other theory at law or equity, arising out of, related to or in connection with the Group, Thermo, any of the Finance Documents, any documents related to any other debt obligation of the Group, and any other document or instrument executed in connection with the transactions contemplated by the Proposed Restructuring and the Restructuring Documents and all transactions related in any way thereto.

### **10. Miscellaneous**

#### **10.1 Incorporation of Terms**

The provisions of clauses 13.4 (*Stamp Taxes*), 13.5 (*Value Added Tax*), 35 (*Partial Invalidity*), 36 (*Remedies and Waivers*), 40 (*Enforcement*) and 41 (*Confidentiality*) of the Amended and Restated Facility Agreement shall also apply to this Deed as if expressly set out herein, *mutatis mutandis*, with each reference therein to “*this Agreement*” being deemed to be a reference to this Deed, each reference to “*Party*” or “*Parties*” being deemed to be a reference to the parties to this Deed and each reference to the “*Borrower*” being deemed to be a reference to each Obligor and the Subordinated Creditor. For the purposes of incorporating clause 41 (*Confidentiality*) of the Amended and Restated Facility Agreement into this Deed, the Parties agree that the definition of Confidential Information shall be extended to include any information provided by the Borrower, Thermo or any other person to satisfy the requirements of paragraph 11 of Schedule 3 (*Conditions Precedent to the Effective Date*).

#### **10.2 Governing Law**

This Deed, and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

#### **10.3 Counterparts**

This Deed may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument.

#### **10.4 Set-off**

If an Event of Default has occurred and is continuing, a Finance Party may set-off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Obligor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off. Following the exercise of a right of set-off under this Deed, the relevant Finance Party shall notify the Borrower.

**This Deed** has been executed as a deed by the Borrower, Thermo, the Subordinated Creditor and the Subsidiary Guarantors and has been signed on behalf of the other Parties.

### **2.2 Time for Payments**

The amount specified in a demand made by the Security Agent pursuant to this Guarantee as to the amount of any Liability or the amount due from a Guarantor under this Guarantee shall, save for manifest error, be conclusive and binding on each Guarantor.

### **2.4 Interest**

Any amount which is owed by a Guarantor to the Security Agent under this Guarantee and is not paid when due (to the extent that interest in respect of such amount has not been paid by the Borrower pursuant to the Facility Agreement) shall bear interest at the Default Rate from the due date until the date on which such amount is unconditionally and irrevocably paid and discharged in full and such interest shall accrue from day to day (after as well as before judgment) and be payable by a Guarantor on demand of the Security Agent.

### **3. Continuing security**

#### **3.1 Continuing and independent obligations**

The obligations of each Guarantor under this Guarantee shall constitute and be continuing obligations which shall not be released or discharged by any intermediate payment or settlement of the Liabilities or any of them, shall continue in full force and effect until the unconditional and irrevocable payment and discharge in full of the Liabilities and are in addition to and independent of, and shall not prejudice or merge with, any other security (or any right of set-off) which the Security Agent may at any time hold in respect of the Liabilities or any of them.

#### **3.2 New accounts**

If the Security Agent makes demand of a Guarantor for payment of the Liabilities or any of them:

- (a) the Security Agent may open a new account or accounts in respect of the Liabilities or any of them (and if it does not do so it shall be treated as if it had done so at the time it made such demand); and
- (b) thereafter any amounts paid by an Obligor to the Security Agent in respect of the Liabilities shall be credited (or be treated as having been credited) to a new account and shall not be treated as having been applied in or towards payment of the Liabilities or any of them.

#### **3.3 Avoidance of payments**

Where any release, discharge or other arrangement in respect of any Liability or any security that the Security Agent may hold for such Liability is given or made in reliance on any payment or other disposition which is avoided or must be repaid (whether in whole or in part) in an insolvency, liquidation or otherwise, and whether or not the Security Agent has conceded or compromised any claim that any such payment or other disposition will or should be avoided or repaid (in whole or in part), this Guarantee shall continue as if such release, discharge or other arrangement had not been given or made.

#### **3.4 Immediate recourse**

The Security Agent shall not be obliged before exercising or enforcing any of the rights conferred on it by this Guarantee or by law to seek to recover amounts due from the Borrower (or any other Obligor) or to exercise or enforce any other rights or security it may have or hold in respect of the Liabilities.

#### **3.5 Waiver of defences**

Neither the obligations of a Guarantor contained in this Guarantee nor the rights, powers and remedies conferred upon the Security Agent by this Guarantee or by law shall be discharged, impaired or otherwise affected by:

- (a) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (b) the winding-up, dissolution, administration or re-organisation of an Obligor or any other person or any change in the status, function, control or ownership of an Obligor or any such person;
- (c) any of the Liabilities or any security held by the Security Agent in respect thereof being or becoming illegal, invalid, unenforceable or ineffective in any respect;

- (d) any time or other indulgence being granted or agreed:
  - (i) to or with an Obligor or any other person in respect of the Liabilities or any of them; or
  - (ii) in respect of any security held by the Security Agent in respect thereof;
- (e) any amendment to, or any variation, waiver or release of, the Liabilities or any of them or any security held by the Security Agent in respect thereof;
- (f) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility under any Finance Document or other document or security;
- (g) any total or partial failure to take or perfect any security proposed to be taken in respect of the Liabilities or any of them;
- (h) any total or partial failure to realise the value of, or any release, discharge, exchange or substitution of, any security held by the Security Agent in respect of the Liabilities or any of them; or
- (i) any other act, event or omission which might operate to discharge, impair or otherwise affect any of the obligations of a Guarantor under this Guarantee or any of the rights, powers and remedies conferred upon the Security Agent by this Guarantee or by law.

### **3.6 No competition**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Security Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Guarantee:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under this Guarantee;
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with clause 31 (*Payment Mechanics*) of the Facility Agreement.

### **3.7 Appropriation**

The Security Agent shall not be obliged to apply any sums held or received by it in respect of the Liabilities in or towards payment of the Liabilities and any such sum may be credited to a suspense or impersonal account and held in such account pending the application from time to time (as the Security Agent may think fit) of such sums in or towards the discharge of such obligations of a Guarantor to the Security Agent as the Security Agent may select.

## **4. Representations and warranties**

### 5.4 Guarantee Obligations

No Subsidiary Guarantor shall create, incur, assume or suffer to exist any Guarantee Obligations in favour of any noteholder, indenture trustee, Thermo, the Supplier or any other third parties without the consent of the Security Agent, save as such Guarantee Obligations may be permitted pursuant to the provisions of clause 22.1(e) (*Limitations on Financial Indebtedness*) of the Facility Agreement.

### 6.3 Manner of payment

Each payment made by a Guarantor under this Guarantee shall be paid in the manner required by the Security Agent.

### 6.4 Limitation on Guarantee

- (a) Notwithstanding anything to the contrary in any Finance Document, each Guarantor and the Security Agent hereby confirms that it is its intention that the provisions of this Guarantee shall not constitute a fraudulent transfer or conveyance for the purposes of US Bankruptcy Law or any Fraudulent Transfer Law. The Security Agent agrees that the maximum liability of each US Guarantor under this Guarantee shall in no event exceed an amount (after giving effect to any rights of contribution pursuant to this Clause 6.4) equal to the greatest amount that would not render such US Guarantor's obligations under the Finance Documents being subject to avoidance under US Bankruptcy Law or to being set aside, avoided or annulled under any Fraudulent Transfer Law.
- (b) If a US Guarantor shall make a payment (a "**Relevant Payment**") under this Guarantee (the "**Guaranteed Obligations**"), a US Guarantor shall thereafter have a right of contribution against each other Guarantor as provided in paragraph (c) below, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment is made in respect of the Guaranteed Obligations.
- (c) At any time that a Relevant Payment is made by a US Guarantor that results in the aggregate payments made by such US Guarantor in respect of the Guaranteed Obligations to, and including, the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to, and including, the date of the Relevant Payment (such excess, the "**Aggregate Excess Amount**"), each such US Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to, and including, the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to, and including, the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "**Aggregate Deficit Amount**") in an amount equal to:

- (i) a fraction:
    - (A) the numerator of which is the Aggregate Excess Amount of such US Guarantor; and
    - (B) the denominator of which is the Aggregate Excess Amount of all Guarantors,  
*multiplied by*
  - (ii) the Aggregate Deficit Amount of such other Guarantor.
- (d) A US Guarantor's right of contribution pursuant to paragraph (c) above shall arise at the time of each computation, subject to adjustment to the time of each computation, provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been irrevocably paid in full in cash and the Commitment has been terminated, it being expressly recognized and agreed by all Parties that any Guarantor's right of contribution arising pursuant to this Clause 6.4 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Guaranteed Obligations and any other obligations owing under this Guarantee.
- (e) For the purposes of this Clause 6.4:
- (i) each Guarantor's "**Contribution Percentage**" shall mean the percentage obtained by dividing
    - (A) the Adjusted Net Worth (as defined below) of such Guarantorby;
    - (B) the aggregate Adjusted Net Worth of all Guarantors;
  - (ii) the "**Adjusted Net Worth**" of each Guarantor shall mean the greater of:
    - (A) the Net Worth (as defined below) of such Guarantor; and
    - (B) zero (0); and
  - (iii) the "**Net Worth**" of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under the Finance Documents) on such date.
- (f) Subject to Clause 3.6 (*No competition*), each Party agrees that, except for any right of contribution arising pursuant to this Clause 6.4, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been irrevocably paid in full in cash.

- (g) Each Guarantor recognises and acknowledges that the rights to contribution arising under this Guarantee shall constitute an asset in favour of the party entitled to such contribution.
- (h) Each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the reasonable determination of the Security Agent.

**7. Set-off**

Each Guarantor authorises the Security Agent following the occurrence of an Event of Default which is continuing (which shall not be obliged to exercise this right) to apply any credit balance to which a Guarantor is entitled on any account of a Guarantor with the Security Agent in satisfaction of any sum which is due and payable from a Guarantor to the Security Agent under this Guarantee and remains unpaid; for this purpose, the Security Agent is authorised to purchase with the monies standing to the credit of any such account such other currencies as may be necessary to effect such application. Following the exercise of a right of set-off under this Guarantee, the Security Agent shall notify the relevant Guarantor.

**8. Costs and expenses**

**8.1 Transaction costs**

Each Guarantor shall on demand of the Security Agent reimburse to the Security Agent on a full indemnity basis all costs and expenses (including legal fees), and any VAT thereon, incurred by the Security Agent in connection with the preparation, negotiation and execution of this Guarantee.

**8.2 Stamp taxes**

Each Guarantor shall pay all stamp, registration and other taxes to which this Guarantee or any judgment given in connection with this Guarantee is or at any time may be subject and shall on demand indemnify the Security Agent against any liabilities, costs, claims and expenses (including legal fees) resulting from any failure to pay or delay in paying any such tax.

**8.3 Indemnity**

Each Guarantor shall indemnify and hold harmless the Security Agent on demand from and against any and all costs, claims losses, expenses (including legal fees) and liabilities, and any VAT thereon, which the Security Agent may incur as a result of the exercise by the Security Agent of any of its rights and powers under this Guarantee or by law.

**9. Remedies and waivers**

No failure by the Security Agent to exercise, nor any delay by the Security Agent in exercising, any right or remedy under this Guarantee shall operate as a waiver thereof nor shall any single or partial exercise of any such right or remedy prevent any further or other exercise thereof or the exercise of any other such right or remedy.

## **10. Additional provisions**

### **10.1 Partial invalidity**

If at any time any provision of this Guarantee is or becomes illegal, invalid or unenforceable in any respect or this Guarantee is or becomes ineffective in any respect under the law of any jurisdiction, such illegality, invalidity, unenforceability or ineffectiveness shall not affect:

- (a) the legality, validity or enforceability of the remaining provisions of this Guarantee or the effectiveness in any other respect of this Guarantee under such law; or
- (b) the legality, validity or enforceability of such provision or the effectiveness of this Guarantee under the law of any other jurisdiction.

### **10.2 Potentially avoided payments**

If the Security Agent reasonably determines that an amount paid to it under any Finance Document is capable of being avoided or otherwise set aside on the liquidation or administration of the person by whom such amount was paid, then for the purposes of this Guarantee, such amount shall be regarded as not having been paid.

### **10.3 Currency conversion**

In order to apply any sum held or received by the Security Agent in or towards payment of the Liabilities, the Security Agent may purchase an amount in another currency and the rate of exchange to be used shall be that at which, at such time as it considers appropriate, the Security Agent is able to effect such purchase.

### **10.4 Currency indemnity**

If any sum due from a Guarantor under this Guarantee or any order or judgment given or made in relation to this Guarantee has to be converted from the currency (the “**first currency**”) in which the same is payable under this Guarantee or under such order or judgment into another currency (the “**second currency**”) for the purpose of:

- (a) making or filing a claim or proof against a Guarantor;
- (b) obtaining an order or judgment in any court or other tribunal; or
- (c) enforcing any order or judgment given or made in relation to this Guarantee, a Guarantor shall within three (3) Business Days of demand indemnify and hold harmless the Security Agent from and against any loss suffered or incurred as a result of any discrepancy between:
  - (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency; and
  - (ii) the rate or rates of exchange at which the Security Agent may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

### **10.5 Rights cumulative**

The rights and remedies provided by this Guarantee are cumulative and not exclusive of any rights or remedies provided by law.

See Exhibit 10.2 to the Current Report on Form 8- filed August 22, 2013

## Schedule 8 Disclosures

### A. AMENDED AND RESTATED FACILITY AGREEMENT

#### 1. Clause 18.5 No Proceedings Pending or Threatened

- (a) *Globalstar, Inc. v. Thales Alenia Space France*. On June 3, 2011, the Borrower filed a demand for arbitration against Thales Alenia Space France (“**Thales**”) before the American Arbitration Association to enforce certain rights to order additional satellites under the Amended and Restated Contract for the construction of the Globalstar Satellite for the Second Generation Constellation dated and executed in June, 2009 (“**2009 Contract**”).

On May 10, 2012, the arbitration tribunal issued its award (the “**Arbitration Award**”) in which it determined that the Borrower materially breached the contract by failing to pay to Thales termination charges in the amount of €51,330,875 by October 9, 2011, and that absent further agreement between the parties, Thales has no further obligation to manufacture or deliver satellites under Phase 3 of the 2009 Contract. The arbitrator’s ruling also required the Borrower to pay Thales approximately €53 million in termination charges and interest by June 9, 2012.

On May 23, 2012, Thales commenced an action in the United States District Court for the Southern District of New York, Case No. 12-4102 (PAE) by filing a petition to confirm the Arbitration Award (the “**New York Proceeding**”).

On June 24, 2012, the Borrower and Thales agreed to settle their prior commercial disputes, including those disputes that were the subject of the Arbitration Award. In order to effectuate this settlement, the Borrower and Thales entered into a Release Agreement (the “**Release Agreement**”), Settlement Agreement (the “**Settlement Agreement**”) and Submission Agreement. Under the terms of the Release Agreement, Thales agreed unconditionally and irrevocably to release and forever discharge the Borrower of any obligation to pay €35,623,770 of the termination charges awarded in the Arbitration Award together with all interest on the award amount upon the earlier of December 31, 2012 and the occurrence of the effective date of the financing of the purchase of the additional six second-generation satellites. Under the terms of the Release Agreement, the Borrower agreed unconditionally and irrevocably to release and forever discharge Thales from any and all claims related to Thales’ work under Phase 2 of the 2009 Contract, including any obligation to pay liquidated damages upon the earlier of December 31, 2012 and the occurrence of the effective date of the financing of the purchase of the additional six second-generation satellites.

Under the terms of the Settlement Agreement, the Borrower agreed to pay €17,530,000 to Thales representing one-third of the termination charges awarded to Thales in the Arbitration Award on the later of the effective date of the new contract for the purchase of the six additional second-generation satellites and the occurrence of the effective date of the financing of the purchase of the additional six second-generation satellites. Further, the court in the New York Proceeding has previously agreed to extend the time for the Borrower to file responsive pleadings in the New York Proceeding until July 1, 2013. Thales and the Borrower entered into a Tolling Agreement as of June 13, 2013 under which Thales dismissed the New York Proceeding without prejudice. Thales may refile the petition at a later date.

Any party to the Settlement Agreement may terminate the Settlement Agreement if the effective date of the new contract for the purchase of the six additional second-generation satellites does not occur on or prior to February 28, 2013. Termination of the Settlement Agreement by any party would not terminate the above-described Release Agreement. The effective date of the new contract for the purchase of the six additional second-generation satellites did not occur on or prior to February 28, 2013. No party has terminated the Settlement Agreement.

Under the terms of the Submission Agreement, the Borrower and Thales agreed to seek clarification of the Arbitration Award with respect to a €3,864,000 claim by Thales related to the Phase 2 satellites. Article 4 of the 2009 Contract sets forth a price term of €3,864,000 with respect to Phase 2 of the Contract. In the prior arbitration proceeding, Thales claimed that it was entitled to payment of this amount pursuant to Article 26 of the Contract upon termination of Phase 3 of the Contract for convenience. The Borrower disputed that any such amount was owed. The Arbitration Award found that the Borrower was not obligated to pay the amount under Article 26 of the Contract. Subsequently, Thales demanded that the Borrower nevertheless pay the amount. In order to resolve this dispute, the Borrower and Thales agreed to submit the issue to Mr. James Carter in an ad hoc arbitration proceeding. On December 3, 2012, Mr. Carter issued an award in favour of the Borrower, ruling *inter alia* that the Borrower is not obligated to pay any portion of the €3,864,000 amount and that Thales is judicially estopped from claiming otherwise.

- (b) ***Borrower petition for rulemaking.*** The Borrower filed a petition for rulemaking with the FCC on November 13, 2012 in order to obtain regulatory authority to offer terrestrial services over its mobile satellite services (MSS) spectrum, including mobile broadband services.

Therein, the Borrower proposed both a near-term plan and a separate long-term plan for utilizing its MSS spectrum terrestrially. Under the proposed near-term plan, the Borrower has requested a license to offer terrestrial services over 11.5 MHz of its exclusively licensed MSS spectrum at 2483.5-1495MHz. As part of its near-term plan, the Borrower has also requested authority to utilize 10.5 MHz of adjacent unlicensed spectrum at 2473-2483.5MHz in the Industrial, Scientific and Medical (“**ISM**”) band in order to offer a Terrestrial Low Power Service (“**TLPS**”). With TLPS, the Borrower could make available a carrier-grade service over a fourth 22 MHz channel (Channel 14 under the existing 802.11 standard) over which existing Wi-Fi capable devices could operate.

In its rulemaking, the Borrower also proposed a long-term plan to utilize its full 19.275 MHz of exclusively licensed MSS spectrum for a conventional terrestrial wireless network. This proposal will take more time to work through the additional technical issues that are associated with operating a terrestrial wireless service near the GPS frequency band.

After the Borrower filed its petition, the FCC quickly placed the petition on public notice and received comments on the petition during January 2013. The comment period is now closed.

The Borrower is awaiting the FCC’s issuance of a notice of proposed rulemaking in response to its petition.

- (c) ***Iridium petition for rulemaking.*** On February 11, 2013 Iridium Constellation LLC (“**Iridium**”) filed a petition for rulemaking with the FCC requesting that 2.725 MHz of Big Leo spectrum presently licensed to the Borrower be reallocated to Iridium’s exclusive use. This includes 1.775 MHz of spectrum currently licensed to the Borrower exclusively at 1616-1617.775 MHz, as well as 0.95 MHz of spectrum currently shared by the Borrower and Iridium at 1617.775-1618.725 MHz. Iridium also filed a motion to consolidate its petition for rulemaking with the petition for rulemaking filed by the Borrower in November of 2012 to receive terrestrial flexibility to offer mobile broadband services. The FCC has not taken any action on Iridium’s petition and motion. The Borrower will vigorously oppose both Iridium’s petition and its motion to consolidate
- (d) ***5 GHz Notice of Proposed Rulemaking.*** The FCC has issued a Notice of Proposed Rulemaking (NPRM) to consider, among other things, expanding the use of terrestrial mobile broadband devices within the 5 GHz band. The Borrower’s C-band Forward Link (Earth Station to Satellite) operates within the 5 GHz band at 5091-5250 MHz. As part of this NPRM, the FCC has asked for comments regarding increasing power limits and eliminating the restriction against outdoor uses of U-NII-1 devices operating within the same frequencies as the Borrower’s C-band Forward Link. The Borrower has filed comments in opposition due to the increased interference that such modifications would have on its satellite system.
- (e) ***Application to Modify and Extend License Term of NGSO Space Station License.*** On March 14, 2013, Globalstar Licensee LLC filed a request for an extension of the license term for its non-geostationary mobile satellite service constellation to October 4, 2024 so as to permit the Borrower to operate its existing first-generation satellites beyond the April 21, 2013 expiration date of its current NGSO space station license. The Borrower may continue to operate its existing first-generation satellites during the whilst its application for an extension is pending.
- (f) ***Tax Returns and Payments.*** The Borrower operates in various U.S. and foreign tax jurisdictions. The process of determining its anticipated tax liabilities involves many calculations and estimates which are inherently complex. The Borrower believes that it has complied in all material respects with its obligations to pay taxes in these jurisdictions. However, its position is subject to review and possible challenge by the taxing authorities of these jurisdictions. If the applicable taxing authorities were to challenge successfully its current tax positions, or if there were changes in the manner in which the Borrower conducts its activities, the Borrower could become subject to material unanticipated tax liabilities. It may also become subject to additional tax liabilities as a result of changes in tax laws, which could in certain circumstances have a retroactive effect.
- (i) A tax authority has previously notified the Borrower that the Borrower (formerly known as Globalstar LLC), one of its subsidiaries, and its predecessor, Globalstar L.P., were under audit for the taxable periods ending December 31, 2005, December 31, 2004, and June 29, 2004, respectively. During the taxable years at issue, the Borrower, its predecessor, and its subsidiary were treated as partnerships for U.S. income tax purposes. In December 2009, the Internal Revenue Service (“IRS”) issued Notices of Final Partnership Administrative Adjustments related to each of the taxable years at issue. The Borrower disagreed with the proposed adjustments, and pursued the matter through applicable IRS and judicial procedures as appropriate.
- (ii) In February 2012, a Closing Agreement (the “**Closing Agreement**”) was reached with respect to this matter. The position reached in the Closing Agreement had no impact on the cost basis of the assets of the Borrower or the Borrower’s net operating loss position. In addition, there is no impact for the Borrower on deductions in future years. In previous years, the potential outcome of this audit was considered and the gross deferred tax asset before valuation allowance adjusted to a tax position that was thought to be more likely than not to be sustained. The impact of this Closing Agreement has been considered in the Borrower’s analysis at December 31, 2011 and the adjustment to the tax position in previous years was reversed.

- (iii) In January 2012, the Borrower's Canadian subsidiary was notified that its income tax returns for the years ended October 31, 2008 and 2009 had been selected for audit. The Borrower's Canadian subsidiary is in the process of collecting the information required by the Canada Revenue Agency.
- (iv) Except for the audits noted above, neither the Borrower nor any of its Subsidiaries are currently under audit by the IRS or by any state jurisdiction in the United States. The Borrower's corporate US tax returns for 2008 and subsequent years remain subject to examination by tax authorities. State income tax returns are generally subject to examination for a period of three to five years after filing of the respective return. The state impact of any federal changes remains subject to examination by various states for a period of up to one year after formal notification to the states.
- (v) Through a prior foreign acquisition the Borrower acquired a tax liability for which the Borrower has been indemnified by the previous owners. As of December 31, 2012 and 2011, the Borrower had recorded a tax liability of \$2.8 million and \$2.2 million, respectively, to the foreign tax authorities with an offsetting tax receivable from the previous owners.
- (vi) In the Borrower's international tax jurisdictions, numerous tax years remain subject to examination by tax authorities, including tax returns for 2003 and subsequent years in most of the Borrower's international tax jurisdictions.
- (vii) In connection with the Borrower's March 2008 acquisition of Loral/DASA Globalstar, L.P. ("**LDG**"), the indirect owner of Globalstar do Brasil, S.A. ("**GdB**"), the Borrower's independent gateway operator in Brazil, Loral Space & Communications, Inc. ("**Loral Space**") agreed in the acquisition agreement to indemnify the Borrower and its affiliates for various liabilities and claims relating to the operation of GdB's business prior to the closing of the acquisition, whether known at the time of closing or that occurred prior to, but became known after, the closing of the acquisition. Such indemnity includes an indemnity for tax liabilities owed by GdB to Brazilian taxing authorities of approximately BRL 5.8 million. A portion of these tax liabilities are currently being paid in monthly installments by GdB, with Loral Space reimbursing GdB for such payments pursuant to a process set forth in the LDG acquisition agreement. The Borrower recently became aware of another potential tax liability which would be covered under the indemnification described above.

**2. Clause 18.36(c) Notes and Purchase Agreement**

- (a) On 14 June 2011, Thermo purchased 5% Notes in an initial amount of US\$20,000,000, the amount of which as of 30 June 2013 is US\$22,079,249.
- (b) On 19 June 2009, Thermo purchased 8% Old Notes in an initial amount of US\$11,400,000, the amount of which as of 30 June 2013 is US\$15,588,352.

**B. AMENDED AND RESTATED THERMO SUBORDINATION DEED**

**Clause 5.9 (No proceedings pending or threatened)**

On January 31, 2013, Thales Alenia Space France commenced an action against Thermo Funding Company, LLC in the United States District Court for the Southern District of New York. In its complaint, Thales alleged that Thermo had failed to pay Thales \$12,500,000 by December 31, 2012 as required by the Settlement Agreement among Thales, Thermo and Globalstar dated June 24, 2012. According to the complaint, Thermo's obligation arose initially under the Reimbursement Agreement dated June 5, 2009 between Thermo and Thales, in which Thermo agreed to reimburse Thales for any amounts paid by Thales under its guarantee in support of Globalstar's DSRA obligation.

On March 25, 2013, Thermo filed a motion to dismiss the action for lack of personal jurisdiction and failure to state a claim upon which relief can be granted. Both parties filed briefs with respect to the motion to dismiss. On June 25, 2013, the court denied Thermo's motion to dismiss. However, on June 4, 2013, the court sua sponte ordered Thales to show cause why the action should not be dismissed for lack of subject matter jurisdiction. In its order, the court noted that it would have subject matter with respect to the action only if Thermo were a United States citizen for diversity purposes, and that Thales' complaint had not alleged that Thermo is a US citizen.

On June 13, 2013, Thales filed an amended complaint alleging that Thermo is a U.S. citizen for diversity purpose. In a telephone conference on June 27, 2013, among counsel for the parties and the court, counsel for Thermo advised the judge that Thermo intended to file another motion to dismiss on the basis that Thermo is not a U.S. citizen for this purpose because of the citizenship of the trust which is the sole owner of Thermo. The judge then ordered limited discovery on the issue of Thermo's citizenship.

Depositions for this purpose were held during the week of July 15, 2013.

### **10.2 Non-competition**

Until the Final Discharge Date, neither the Borrower nor the Subordinated Creditor will by virtue of any payment or performance by it under this Agreement or by virtue of the operation of Clause 6 (*Effect of Insolvency Event*) and Clause 7 (*Turnover of Receipts*):

### **10.4 Exercise of rights**

No Finance Party shall be obliged before exercising any of the rights, powers or remedies conferred upon it in respect of the Borrower or the Subordinated Creditor by the Finance Documents or by Applicable Law:

- (a) to make any demand of the Borrower, the Subordinated Creditor or any other person (as the case may be);

If the obligations are in different currencies, the Security Agent may, with the relevant Finance Party's written consent, convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

#### **10.6 Currency Indemnity**

If any sum due from the Borrower or the Subordinated Creditor under this Agreement (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

- (a) making or filing a claim or proof against the Borrower or the Subordinated Creditor; or
- (b) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Borrower or the Subordinated Creditor shall, as an independent obligation, within five (5) Business Days of demand, indemnify the COFACE Agent, the Security Agent, and each Finance Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between:

- (i) the rate of exchange used to convert that Sum from the First Currency into the Second Currency; and
- (ii) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

#### **10.7 Transfer of Distributions**

The Subordinated Creditor will, at its own expense, do all such things as the Security Agent on behalf of the Finance Parties may reasonably require to transfer to the Security Agent all payments and distributions which must be turned over or held in trust in accordance with this Agreement (including endorsements and execution of formal transfers) and will pay all costs and stamp duties in connection with those transfers.

#### **10.8 Borrower's Obligations**

The provisions of this Agreement are intended solely for the purpose of defining the rights and obligations between the Subordinated Creditor and the Finance Parties, and nothing contained in this Agreement is intended to or shall impair, as among the Borrower, its creditors and the Subordinated Creditor, the obligations of the Borrower, which are absolute and unconditional, to pay to the Subordinated Creditor, as and when the same shall become due and payable in accordance with their terms, all amounts payable in respect to the Subordinated Liabilities.

## **11. Rights of the Security Agent and COFACE Agent**

### **11.1 Exclusion of Liability by the Security Agent and COFACE Agent**

- (a) Without limiting paragraph (b) below, neither the COFACE Agent nor the Security Agent (as the case may be) will be liable for any action or omission by it under or in connection with this Agreement, unless directly caused by its gross negligence or wilful misconduct.
- (b) Each of the Parties (other than the COFACE Agent or Security Agent) agrees that it will not assert or seek to assert against any officer, employee or other such agent of the COFACE Agent or the Security Agent (as the case may be) any claim it might have against any of them in respect of the matters referred to in this Agreement and any officer, employee or other such agent of the COFACE Agent or the Security Agent (as the case may be) may rely on this Clause 11.1 (*Exclusion of Liability by the Security Agent and COFACE Agent*) subject to Clause 1.3(b) (*Third Party Rights*) and the provisions of the Third Parties Act.
- (c) The Security Agent or COFACE Agent (as the case may be) will not be liable for any delay (or any related consequences) in crediting an account with an amount required under this Agreement to be paid by the Security Agent or COFACE Agent (as the case may be) if the Security Agent or COFACE Agent (as the case may be) has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Security Agent or COFACE Agent (as the case may be) for that purpose.

### **11.2 Additional Security Agents and COFACE Agents**

- (a) The Security Agent and the COFACE Agent may at any time appoint (and subsequently remove) any person to act as a separate Security Agent or as a co-Security Agent, or a separate COFACE Agent or co-COFACE Agent (as the case may be), jointly with it:
  - (i) if it considers such appointment to be in the interests of the Finance Parties;
  - (ii) for the purposes of conforming to any legal requirements, restrictions or conditions which the Security Agent or COFACE Agent (as the case may be) deem to be relevant; or
  - (iii) for obtaining or enforcing any judgment in any jurisdiction,

and the Security Agent or COFACE Agent (as the case may be) shall give prior notice to the Borrower and the COFACE Agent or the Security Agent (as the case may be) of that appointment. The Security Agent or COFACE Agent shall not be bound to supervise, or be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such separate Security Agent or co-Security Agent or separate COFACE Agent or co-COFACE Agent (as the case may be) if, in each case, the Security Agent or COFACE Agent (as the case may be) shall have exercised reasonable care in the selection of such person.

- (b) Any person appointed under this Clause 11.2 (*Additional Security Agents and COFACE Agents*) (and subject to the terms of this Agreement) shall have the rights, powers and discretions (not exceeding those conferred on the Security Agent or COFACE Agent (as the case may be) by this Agreement or any other Finance Document) and the duties and obligations that are conferred or imposed by the instrument of appointment. The remuneration that the Security Agent or COFACE Agent (as the case may be) may pay to that person, and any costs and expenses incurred by that person in performing its functions pursuant to that appointment shall, for the purposes of this Agreement, be treated as costs and expenses incurred by the Security Agent or COFACE Agent (as the case may be), payable in accordance with clause 17 (*Costs and Expenses*) of the Facility Agreement.

- (c) If there ever shall be more than two (2) agents, acting in the capacity as Security Agent or more than two (2) agents, acting in the capacity as COFACE Agent, having equal authority under this Agreement and the Facility Agreement, the majority of such agents shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested by this Agreement and the Facility Agreement in the Security Agent or COFACE Agent (as the case may be) generally; *provided that*, if at any time there is an even number of agents acting as Security Agent or COFACE Agent (as the case may be) and such agents are unable to arrive at a majority decision by reason of disagreement among themselves, the decision of the person appointed as of the date hereof as Security Agent or COFACE Agent (as the case may be) (or that person's successor) shall prevail.
- (d) References in this Agreement to the Security Agent or, as the case may be, the COFACE Agent will, where the context so admits, include references to any separate or co-Security Agent or separate or co-COFACE Agent (as the case may be) appointed under this Clause 11.2 (*Additional Security Agents and COFACE Agents*).

### **11.3 Finance Documents**

The Parties acknowledge that the Security Agent and the COFACE Agent, when acting under this Agreement, shall be acting in accordance with and subject to the terms of the Finance Documents.

### **11.4 Discretions**

Unless explicitly provided otherwise in this Agreement, any liberty or power which may be exercised or any determination which may be made under this Agreement by the Security Agent or the COFACE Agent may be exercised or made at its absolute and unfettered discretion without any obligation to give reasons for doing so.

### 12.3 Borrower's Payment Obligations

- (a) The Borrower acknowledges that the obligation to pay one hundred *per cent.* (100%) of the COFACE Insurance Premia and the COFACE Additional Insurance Premium as and when they arise is absolute and unconditional.
- (b) If the COFACE Insurance Premia due and payable is not financed or paid out of any Loans under this Agreement or if the undrawn amount under a Facility is not sufficient to finance one hundred *per cent.* (100%) of the COFACE Insurance Premia due to COFACE under the COFACE Insurance Policy, the Borrower shall pay directly to the COFACE Agent the amount of any such COFACE Insurance Premia not so financed or paid.
- (c) Subject to Clause 12.3(d) below, as of the date of this Agreement the premia due to COFACE in respect of the COFACE Insurance Premia shall be calculated at a rate estimated to be six point sixty eight *per cent.* (6.68%), and in an estimated amount being the aggregate of:
- (i) US\$35,272,276 in respect of Facility A; and
  - (ii) US\$1,442,880 in respect of Facility B.
- (d) The COFACE Agent will only be notified of the actual amount of the COFACE Insurance Premia on the date of final issuance of each COFACE Insurance Policy.
- (e) Following receipt of each COFACE Insurance Policy, the COFACE Agent shall promptly notify the Borrower of the actual amount of the COFACE Insurance Premia. If the actual amount of the COFACE Insurance Premia is greater than the estimated amount set out in paragraph (c) above, the Borrower shall be obliged to make payment of the actual amount of the COFACE Insurance Premia. Accordingly, the estimated amount provided in Clauses 3.1(c) (*Payment of the COFACE Insurance Premia*) and 3.2(b) (*Payment of the COFACE Insurance Premia*) shall be automatically increased or reduced by the amounts required to ensure the payment of the premiums after adjustment by COFACE, which would result in an increase or reduction by a corresponding amount in the Total Commitments subject to available Commitments).
- (f) [Intentionally omitted]
- (g) Notwithstanding the above, a minimum premium being, as of the date of this Agreement, in an amount equal to the Dollar equivalent of €1,515 shall be paid to COFACE by the Borrower in respect of each COFACE Insurance Policy upon the execution of the relevant COFACE Insurance Policy. Such amounts shall remain the property of COFACE and are accordingly payable by the Borrower to COFACE in any event.
- (h) Subject to paragraph (i) below, the Borrower shall not be entitled to claim any credit or reimbursement of the COFACE Insurance Premia or the COFACE Additional Insurance Premium, including in the event of a cancellation, an acceleration or a prepayment of any Loan under this Agreement.

- (i) Notwithstanding paragraph (h) above and subject to paragraph (j) below:
  - (i) with respect to any partial cancellation of any undisbursed amount of a Facility; and/or
  - (ii) immediately following the end of the Availability Period, where an Available Commitment remains outstanding,  
the Borrower shall be entitled to submit a request to the COFACE Agent for reimbursement of any proportionate amount of the COFACE Insurance Premia, in an amount up to one hundred *per cent.* (100%) of the total amount of the COFACE Insurance Premia, which relates to such cancelled amount of any undisbursed portion of a Facility and/or outstanding Available Commitment referred to in paragraphs (i)(i) and (ii) above, as the case may be, in each case such amount to be subject to the approval of the COFACE Agent. For the avoidance of doubt, this paragraph (i) does not apply to the COFACE Additional Insurance Premium.
- (j) No reimbursement of the COFACE Insurance Premia pursuant to paragraph (i) above shall be made by the COFACE Agent if:
  - (i) a Default shall have occurred and be continuing; and
  - (ii) the COFACE Agent has not received funds from COFACE in an amount equal to the COFACE Insurance Premia to be reimbursed.
- (k) Notwithstanding anything to the contrary in this Agreement, the Parties acknowledge that the Borrower has paid the COFACE Insurance Premia on or around Financial Close. This paragraph (k) does not apply to the COFACE Additional Insurance Premium.

### **13. Tax gross-up and Indemnities**

#### **13.1 Tax Gross-up**

- (a) The Borrower shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrower shall, promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the COFACE Agent accordingly. Similarly, a Lender shall notify the COFACE Agent on becoming so aware in respect of a payment payable to that Lender. If the COFACE Agent receives such notification from a Lender it shall notify the Borrower.
- (c) If a Tax Deduction is required by law to be made by the Borrower, the amount of the payment due from the Borrower shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) If the Borrower is required to make a Tax Deduction, it shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (e) Within thirty (30) days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Borrower making that Tax Deduction shall deliver to the COFACE Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

- (f) A payment shall not be increased under paragraph (c) above by reason of a Tax Deduction on account of Tax, if on the date on which the payment falls due:
- (i) the payment could have been made to the relevant Lender without a Tax Deduction if the Lender had been a Qualifying Lender, but on that date that Lender is not, or has ceased to be, a Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement:
    - (A) in (or in the interpretation, administration, or application of) any law or double taxation agreement, or any published practice or published concession of any relevant authority; or
    - (B) in the circumstance of the Borrower; or
  - (ii) the Borrower is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender complied with its obligations under paragraph (g) below.
- (g) Each Lender agrees to use reasonable efforts (consistent with legal and regulatory restrictions and subject to overall policy considerations of such Lender) to file any Withholding Forms as requested by the Borrower that may be necessary to establish an exemption from withholding of US federal income taxes.

### 13.2 Tax Indemnity

- (a) The Borrower shall (within three (3) Business Days of demand by the COFACE Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply with respect to any Tax assessed on a Finance Party:
- (i) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
  - (ii) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,
- if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party or to the extent a loss, liability or cost:
- (A) is compensated for by an increased payment under Clause 13.1 (*Tax Gross-up*);
  - (B) would have been compensated for by an increased payment under Clause 13.1 (*Tax Gross-up*) but was not so compensated solely because one of the exclusions in paragraph (f) of Clause 13.1 (*Tax Gross-up*) applied; or
  - (C) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the COFACE Agent of the event which will give, or has given, rise to the claim, following which the COFACE Agent shall notify the Borrower.

- (d) A Protected Party shall, on receiving a payment from the Borrower under this Clause 13.2, notify the COFACE Agent.

### 13.3 Tax Credit

If the Borrower makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Borrower which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Borrower *provided that*,

- (i) any Finance Party may determine, in its sole discretion consistent with the policies of such Finance Party, whether to seek a Tax Credit;
- (ii) if such Tax Credit is subsequently disallowed or reduced, the Borrower shall indemnify the Finance Party for such amount; and
- (iii) nothing in this Clause 13.3 shall require a Finance Party to disclose any confidential information to the Borrower (including, without limitation, its tax returns or its calculations).

### 13.4 Stamp Taxes

The Borrower shall pay and, within three (3) Business Days of demand, indemnify each Finance Party against any cost, loss or liability that Finance Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

### 13.5 Value Added Tax

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying the consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).
- (b) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (c) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

### 13.6 Lender Status Confirmation

Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Transfer Certificate or Assignment Agreement which it executes on becoming a Party, and for the benefit of the COFACE Agent and without liability to any Obligor, which of the following categories it falls in:

- (a) not a Qualifying Lender; or
- (b) a Qualifying Lender.

If a New Lender fails to indicate its status in accordance with this Clause 13.6 then such New Lender shall be treated for the purposes of this Agreement (including by each Obligor) as if it is not a Qualifying Lender until such time as it notifies the COFACE Agent which category applies (and the COFACE Agent, upon receipt of such notification, shall inform the Borrower). For the avoidance of doubt, a Transfer Certificate or Assignment Agreement shall not be invalidated by any failure of a Lender to comply with this Clause 13.6.

### 13.7 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten (10) Business Days of a reasonable request by another Party:
  - (i) confirm to that other Party whether it is:
    - (A) a FATCA Exempt Party; or
    - (B) not a FATCA Exempt Party; and
  - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA (including other information required under the US Treasury Regulations or other official guidance including intergovernmental agreements) as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA.
- (b) If a Party confirms to another Party pursuant to Clause 13.7(a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige any Finance Party to do anything which would or might in its reasonable opinion constitute a breach of:
  - (i) any law or regulation;
  - (ii) any fiduciary duty; or
  - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm its status or to supply forms, documentation or other information requested in accordance with paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then if that Party failed to confirm whether it is (and/or remains) a FATCA Exempt Party such Party shall be treated for the purposes of the Finance Documents as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

- (e) If the Borrower is a US Tax Obligor, or where the COFACE Agent reasonably believes that its obligations under FATCA require it, each Lender shall, within ten Business Days of:
- (i) where the Borrower is a US Tax Obligor and the relevant Lender is an Original Lender, the date of this Agreement;
  - (ii) where the Borrower is a US Tax Obligor and the relevant Lender is a New Lender, the relevant Transfer Date; or
  - (iii) where the Borrower is not a US Tax Obligor, the date of a request from the COFACE Agent,

supply to the COFACE Agent:

- (A) a withholding certificate on Form W-8 or Form W-9 (or any successor form) (as applicable); or
- (B) any withholding statement and other documentation, authorisations and waivers as the COFACE Agent may require to certify or establish the status of such Lender under FATCA.

The COFACE Agent shall provide any withholding certificate, withholding statement, documentation, authorisations and waivers it receives from a Lender pursuant to this paragraph (e) to the Borrower and shall be entitled to rely on any such withholding certificate, withholding statement, documentation, authorisations and waivers provided without further verification. The COFACE Agent shall not be liable for any action taken by it under or in connection with this paragraph (e).

- (f) Each Lender agrees that if any withholding certificate, withholding statement, documentation, authorisations and waivers provided to the COFACE Agent pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, it shall promptly update such withholding certificate, withholding statement, documentation, authorisations and waivers or promptly notify the COFACE Agent in writing of its legal inability to do so. The COFACE Agent shall provide any such updated withholding certificate, withholding statement, documentation, authorisations and waivers to the Borrower. The COFACE Agent shall not be liable for any action taken by it under or in connection with this paragraph (f).

### **13.8 FATCA Deduction**

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the COFACE Agent and the other Finance Parties.

### **14. Increased Costs**

#### **14.1 Increased Costs**

- (a) Subject to Clause 14.3 (*Exceptions*) the Borrower shall, within five (5) Business Days of a demand by the COFACE Agent, pay for the account of a Finance Party the amount of any Increased Costs incurred by that Finance Party or any of its Affiliates as a result of:

- (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation;
- (ii) compliance with any law or regulation made after the date of this Agreement; or
- (iii) the implementation or application of or compliance with (including any change in the interpretation, administration or application of) the Bank for International Settlements' recommendations on banking laws and regulations published by the Bank for International Settlements on 16 December 2010 in the form of the consultative documents entitled "*A global regulatory framework for more resilient banks and banking systems*" and "*International Framework for Liquidity Risk Measurement, Standards and Monitoring*" (collectively, commonly referred to as "*Basel III*") or any other law or regulation which implements Basel III (whether such implementation, application or compliance is by a government, regulator, Finance Party or any of its Affiliates) ("**Basel III**").

(b) In this Agreement "**Increased Costs**" means:

- (i) a reduction in the rate of return from a Facility or on a Finance Party's (or its Affiliate's) overall capital;
- (ii) an additional or increased cost; or
- (iii) a reduction of any amount due and payable under any Finance Document,

which is incurred or suffered by a Finance Party or any of its Affiliates to the extent that it is attributable to that Finance Party having entered into its Commitment or funding or performing its obligations under any Finance Document.

(c) For the purposes of this Clause 14 (*Increased Costs*), any regulation imposed by the European Central Bank, the Financial Conduct Authority or the Prudential Regulation Authority in effect as of the Effective Date with respect to fees and costs payable by banks similar to those customarily considered to be "*Mandatory Costs*" shall be deemed to be an Applicable Law made after the Effective Date.

#### 14.2 Increased Cost Claims

- (a) attributable to a Tax Deduction required by law to be made by the Borrower;

- (b) compensated for by Clause 13.2 (*Tax Indemnity*) (or would have been compensated for under Clause 13.2 (*Tax Indemnity*) but was not so compensated solely because any of the exclusions in paragraph (b) of Clause 13.2 (*Tax Indemnity*) applied);

- (d) attributable to a FATCA Deduction required to be made by a Party.

Subject to this Clause 26 (*Changes to the Lenders*), a Lender (the “**Existing Lender**”) shall be entitled to assign any of its rights or transfer any of its rights and obligations under the Finance Documents to any person (the “**New Lender**”) with the prior written consent of:

- (a) the Borrower (such consent not to be unreasonably withheld or delayed in excess of five (5) Business Days commencing on the day upon which the Existing Lender requests such consent, after which such consent shall be deemed to have been given); *provided that*, no such consent is required for an assignment or transfer:
  - (i) required by any Applicable Law;

- (ii) to a Qualifying Lender or to an existing Lender (or any of its Affiliates);
  - (iii) to an Affiliate or other group member of that Lender;
  - (iv) to a trust, a special purpose securitisation vehicle or any other entity as part of a securitisation or covered bond transaction;

  - (vii) to COFACE; and
- (b) COFACE.

## 26.2 Conditions of Assignment or Transfer

- (a) The consent of the Borrower to an assignment must not be withheld solely because the assignment or transfer may result in an increase to the Mandatory Cost.
- (b) An assignment will only be effective on:
  - (i) receipt by the COFACE Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the COFACE Agent) that the New Lender will assume the same obligations to the other Finance Parties as it would have been under if it was an Original Lender;
  - (ii) performance by the COFACE Agent of all necessary “*know your customer*” or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the COFACE Agent shall promptly notify to the Existing Lender and the New Lender; and
  - (iii) when the COFACE Agent updates the Register (as defined in Clause 26.8 (*Register*) below) in accordance with the provisions of Clause 26.8 (*Register*) below.
- (c) A transfer will only be effective if the procedure set out in Clause 26.5 (*Procedure for Transfer or Assignment*) is complied with.
- (d) If:
  - (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
  - (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 13 (*Tax gross-up and Indemnities*) or Clause 14 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

- (e) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the COFACE Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

### **26.3 Assignment or Transfer Fee**

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the COFACE Agent (for its own account) a fee of US\$2,000.

### **26.4 Limitation of Responsibility of Existing Lenders**

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:

- (i) the legality, validity, effectiveness, adequacy or enforceability of the Finance Documents or any other documents;
- (ii) the financial condition of the Borrower or the status of the Project;
- (iii) the performance and observance by the Borrower of its obligations under the Finance Documents or any other documents; or
- (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Finance Document or any other document,

and any representations or warranties implied by law are excluded.

- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties that it:

- (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender in connection with any Finance Document; and
- (ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.

- (c) Nothing in any Finance Document obliges an Existing Lender to:

- (i) accept a re-transfer or reassignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 26; or
- (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Finance Documents or otherwise.

### **26.5 Procedure for Transfer or Assignment**

- (a) In respect of any transfer:

- (i) subject to the conditions set out in Clause 26.2 (*Conditions of Assignment or Transfer*) a transfer is effected in accordance with paragraph (iii) below when the COFACE Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender and updates the Register (as defined in Clause 26.8 (*Register*) below) in accordance with the provisions of Clause 26.8 (*Register*) below. The COFACE Agent shall, subject to paragraph (ii) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate

- (ii) The COFACE Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “*know your customer*” or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
  - (iii) On the Transfer Date:
    - (A) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents each of the Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and their respective rights against one another under the Finance Documents shall be cancelled (being the “**Discharged Rights and Obligations**”);
    - (B) the Borrower and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Obligor and the New Lender have assumed and/or acquired the same in place of that Obligor and the Existing Lender;
    - (C) the COFACE Agent, the Security Agent, each Mandated Lead Arranger, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the COFACE Agent, each Mandated Lead Arranger, the Security Agent and the Existing Lender shall each be released from further obligations to each other under the Finance Documents; and
    - (D) the New Lender shall become a Party as a “Lender”.
  - (iv) For the avoidance of doubt, for the purposes of *article 1278* of the French Civil Code and only in relation to the Borrower Pledge of Bank Accounts, the Borrower Additional Pledge of Bank Accounts and the Holding Account Pledge Agreement it is expressly agreed that the Pledge of Bank Accounts shall be preserved for the benefit of the New Lender and all other Finance Parties.
- (b) In respect of any assignment:
- (i) subject to the conditions set out in Clause 26.2 (*Conditions of Assignment or Transfer*) an assignment may be effected in accordance with paragraph (iii) below when the COFACE Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The COFACE Agent shall, subject to paragraph (ii) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.

- (ii) The COFACE Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (iii) On the Transfer Date:
  - (A) the Existing Lender will assign absolutely to the New Lender the rights under the Finance Documents expressed to be the subject of the assignment in the Assignment Agreement;
  - (B) the Existing Lender will be released by each Obligor and the other Finance Parties from the obligations owed by it (the "Relevant Obligations") and expressed to be the subject of the release in the Assignment Agreement; and
  - (C) the New Lender shall become a Party as a "Lender" and will be bound by obligations equivalent to the Relevant Obligations.
- (iv) Lenders may utilise procedures other than those set out in this Clause 26.5 (*Procedure for Transfer or Assignment*) to assign their rights under the Finance Documents (but not, without the consent of the relevant Obligor or unless in accordance with this Clause 26.5 (*Procedure for transfer*), to obtain a release by that Obligor from the obligations owed to that Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) *provided that* they comply with the conditions set out in Clause 26.2 (*Conditions of assignment or transfer*).

#### **26.6 Copy of Transfer Certificate or Assignment Agreement to Borrower**

- (b) Failure to make any such recordation, or any error in such recordation shall not affect the Borrower's obligations in respect of such Loans.
- (c) With respect to any Lender, the transfer or assignment of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until:
  - (i) the Transfer Certificate has been executed by the COFACE Agent; and
  - (ii) such transfer is recorded on the Register maintained by the COFACE Agent with respect to ownership of such Commitments and Loans. Prior to such recordation all amounts owing to the transferor with respect to such Commitments and Loans shall remain owing to the transferor.

For the purposes of the Finance Documents, that Party shall be regarded as having received any amount so deducted.

### **30.4 Reversal of Redistribution**

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the COFACE Agent, pay to the COFACE Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the “**Redistributed Amount**”); and

- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
  - (i) it notified that other Finance Party of the legal or arbitration proceedings; and

#### 1. Security agent as holder of liens

(a) In this Clause:

“**Finance Party Claim**” means any amount which an Obligor owes to a Finance Party under or in connection with the Finance Documents; and

“**Security Agent Claim**” means any amount which an Obligor owes to the Security Agent under this Clause.

(b) Unless expressly provided to the contrary in any Finance Document, the Security Agent holds:

(i) any security created by a Security Document governed by any relevant law;

(ii) the benefit of any Security Agent Claims; and

(iii) any proceeds of security,

for the benefit, and as the property, of the Finance Parties.

(c) The Security Agent will separately identify in its records the property rights referred to in paragraph (b) above.

(d) The Borrower must pay the Security Agent, as an independent and separate creditor, an amount equal to each Finance Party Claim on its due date.

(e) The Security Agent may enforce performance of any Security Agent Claim in its own name as an independent and separate right. This includes any suit, execution, enforcement of security, recovery of guarantees and applications for and voting in respect of any kind of insolvency proceeding.

(f) Each Finance Party must, at the request of the Security Agent, perform any act required in connection with the enforcement of any Security Agent Claim. This includes joining in any proceedings as co-claimant with the Security Agent.

(g) Unless the Security Agent fails to enforce a Security Agent Claim within a reasonable time after its due date, a Finance Party may not take any action to enforce the corresponding Finance Party Claim unless it is requested to do so by the Security Agent.

(h) The Borrower irrevocably and unconditionally waives any right it may have to require a Finance Party to join in any proceedings as co-claimant with the Security Agent in respect of any Security Agent Claim.

(i) (A) Discharge by the Borrower of a Finance Party Claim will discharge the corresponding Security Agent Claim in the same amount; and  
(B) Discharge by the Borrower of a Security Agent Claim will discharge the corresponding Finance Party Claim in the same amount.

(j) The aggregate amount of the Security Agent Claims will never exceed the aggregate amount of Finance Party Claims.

- (k) (A) A defect affecting a Security Agent Claim against the Borrower will not affect any Finance Party Claim; and (B) A defect affecting a Finance Party Claim against the Borrower will not affect any Security Agent Claim.
- (l) If the Security Agent returns to the Borrower, whether in any kind of insolvency proceedings or otherwise, any recovery in respect of which it has made a payment to a Finance Party, that Finance Party must repay an amount equal to that recovery to the Security Agent.

2. **Responsibility**

- (a) The Security Agent is not liable or responsible to any other Finance Party for:
  - (i) any failure in perfecting or protecting the security created by any Security Document; or
  - (ii) any other action taken or not taken by it in connection with any Security Document, unless caused by its gross negligence or wilful misconduct.
- (b) The Security Agent is not responsible for:
  - (i) the right or title of any person in or to, or the value of, or sufficiency of any part of the security created by the Security Documents;
  - (ii) the priority of any security created by the Security Documents; or
  - (iii) the existence of any other Lien affecting any asset secured under a Security Document.

3. **Title**

The Security Agent may accept, without enquiry, the title (if any) the Borrower may have to any asset over which security is intended to be created by any Security Document.

4. **Possession of documents**

The Security Agent is not obliged to hold in its own possession any Security Document, title deed or other document in connection with any asset over which security is intended to be created by a Security Document. Without prejudice to the above, the Security Agent may allow any bank providing safe custody services or any professional adviser to the Security Agent to retain any of those documents in its possession.

5. **Investments**

Except as otherwise provided in any Security Document, all moneys received by the Security Agent under a Security Document may be:

- (a) invested in the name of, or under the control of, the Security Agent in any investment for the time being authorised by any relevant law for the investment by trustees of trust money or in any other investments which may be selected by the Security Agent with the consent of the Majority Lenders; or
- (b) placed on deposit in the name of, or under the control of, the Security Agent at any bank or institution (including any Finance Party) and on such terms as the Security Agent may agree.

6. **Approval**

Each Finance Party:

- (a) confirms its approval of each Security Document; and
- (b) authorises and directs the Security Agent (by itself or by such person(s) as it may nominate) to enter into and enforce the Security Documents as trustee (or agent) or as otherwise provided (and whether or not expressly in the names of the Finance Parties) on its behalf.

7. **Conflict with security documents**

If there is any conflict between this Agreement and any Security Document with regard to instructions to, or other matters affecting, the Security Agent, this Agreement will prevail.

8. **Release of security**

- (a) If a disposal of any asset subject to security created by a Security Document is made to a person (which is and will remain) outside the Group in the following circumstances:
  - (i) all the Lenders agree to the disposal;
  - (ii) the disposal is being made at the request of the Security Agent in circumstances where any security created by the Security Documents has become enforceable;
  - (iii) the disposal is allowed by the terms of the Finance Documents and will not result or could not reasonably be expected to result in any Default; and
  - (iv) the disposal is being effected by enforcement of a Security Document, the asset(s) being disposed of will be released from any security over it created by a Security Document.
- (b) Any release under this Subclause will not become effective until the date of the relevant disposal or otherwise in accordance with the consent of all the Lenders.
- (c) If a disposal is not made, then any release relating to that disposal will have no effect, and the obligations of the Borrower under the Finance Documents will continue in full force and effect.
- (d) If the Security Agent so requests pursuant to a release under this Subclause, (at the request and expense of the Borrower) each Finance Party must enter into any document and do all such other things which are reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Security Agent to enter into any such document.

9. **Co-security agent**

- (a) The Security Agent may appoint a separate security agent or a co-security agent in any jurisdiction:
  - (i) if the Security Agent considers that without the appointment the interests of the Lenders under the Finance Documents might be materially and adversely affected;
  - (ii) for the purpose of complying with any law, regulation or other condition in any jurisdiction; or

(iii) for the purpose of obtaining or enforcing a judgment or enforcing any Finance Document in any jurisdiction.

- (b) Any appointment under this Subclause will only be effective if the security agent or co-security agent confirms to the Security Agent and the Borrower in form and substance satisfactory to the Security Agent that it is bound by the terms of this Agreement as if it were the Security Agent.
- (c) The Security Agent may remove any security agent or co-security agent appointed by it and may appoint a new security agent or co-security agent in its place.

10. **Information**

Each Finance Party and the Borrower must supply the Security Agent with any information that the Security Agent may reasonably specify as being necessary or desirable to enable it to perform its functions under this Clause.

11. **Perfection of security**

Borrower must (at its own cost) take any action and enter into and deliver any document which is required by the Security Agent so that a Security Document provides for effective and perfected security in favour of any successor Security Agent.

### Incentive Plan

**Globalstar 2006 Equity Incentive Plan** - The Borrower's 2006 Equity Incentive Plan (the "**Equity Plan**") is a broad based, long-term retention programme intended to attract and retain talented employees and align stockholder and employee interests. Approximately 100,000 and 2,100,000 restricted stock awards and restricted stock units (including grants to both employees and executives) were granted during the three (3) and nine (9) months ended 30 September 2008, respectively. In January 2008, the Borrower's Board of Directors approved the addition of approximately 1,700,000 shares of the Borrower's common stock to the shares available for issuance under the Equity Plan. The Borrower's stockholders approved the Amended and Restated Equity Plan on 13 May 2008, which added an additional 3,000,000 shares of the Borrower's common stock to the shares available for issuance under the Equity Plan. In January 2009, approximately 2,700,000 shares of the Borrower's common stock were added to the shares available for issuance under the Equity Plan by its terms.

**Designated Executive Award Agreement** - In August 2007, the Borrower terminated its Executive Incentive Compensation Plan with five of its executive officers and entered into a new Designated Executive Award Agreement with each of those officers. Each award agreement provides that the executive officer will receive awards of restricted shares of the Borrower's common stock under the Equity Plan. Total benefits per executive officer (valued at the grant date) are approximately US\$6,000,000. These new award agreements extend the vesting period by up to two (2) years through 2011 and provide for payment in shares of the Borrower's common stock instead of cash. One of the five (5) executive officers left the employ of the Borrower in January 2009 and agreed to provide consulting services through the end of 2009. If he fulfils all the terms of his consulting agreement, he will receive all but US\$750,000 of the original award in accordance with a modified vesting schedule.

### **Globalstar 2012 Key Employee Cash Bonus Plan**

The Borrower's 2012 Bonus Plan is a retention program intended to attract and retain talented employees and align stockholder and employee interests. The pool available for bonus distribution was determined based on the Borrower's Adjusted EBITDA performance in excess of budget during the 2012 calendar year. The aggregate amount that could be distributed under the pool was 25% of the Borrower's Adjusted EBITDA in excess of the \$9,000,000 forecasted in the Borrower's 2012 budget; the total pool was \$272,000 based on Adjusted EBITDA of \$10,086,000. The portion of the pool payable to each participant was recommended by the Borrower's Chief Executive Officer and amounts payable were approved by the Borrower's Compensation Committee, acting in its sole discretion. To be eligible for bonus compensation, each participant must be an employee on the payment date to receive the bonus, and payments could be made in cash or stock. In line with the Borrower's efforts to conserve cash, \$20,000 worth of stock was distributed in May 2013 to certain key employees.

## AMENDED AND RESTATED LOAN AGREEMENT

Amended and Restated Loan Agreement (this "**Agreement**") dated as of 31 July 2013, between Globalstar, Inc., a Delaware corporation (the "**Borrower**"), and Thermo Funding Company LLC, a Colorado limited liability company (the "**Lender**").

### Recitals:

1. The Borrower is party to the COFACE Facility Agreement dated 5 June 2009 (as amended, the "**COFACE Agreement**"), between, among others, the Borrower, BNP Paribas as the Security Agent ("**Paribas**") and the lenders thereunder, pursuant to which the Borrower is indebted to the lenders in the principal amount of approximately \$586,324,000 as of the date hereof.

2. As a condition precedent to any borrowings under the COFACE Agreement, the Borrower established an account with Paribas under the Accounts Agreement (as defined in the COFACE Agreement) entitled the Debt Service Reserve Account (the "**DSRA**").

3. Pursuant to a Loan Agreement dated as of 25 June 2009 (the "**Prior Agreement**"), the Borrower is indebted to the Lender as of the date hereof in the amount of \$57,433,784, including accrued and capitalized interest (the "**Loans**") to fund the DSRA and for other corporate purposes.

4. The Borrower desires to enter into a Global Deed of Amendment and Restatement dated 31 July 2013 (the "**GARA**") among the Borrower, the Lender, certain subsidiaries of the Lender, Paribas and the other parties to the COFACE Agreement.

5. Pursuant to the GARA, the COFACE Agreement will be amended and restated in the form attached to the GARA (the "**A&R COFACE Agreement**").

6. The COFACE Agreement previously permitted the Borrower to repay the Loans from Excess Cash Flow (as defined in the COFACE Agreement), and the A&R COFACE Agreement prohibits the Borrower from repaying the Loans until all of its obligations under the A&R COFACE Agreement have been paid in full.

7. In connection with the closing of the transactions contemplated by the GARA, the Borrower and the Lender desire to amend and restate the Prior Agreement as set forth herein, pursuant to which the Loans will be evidenced by a note.

The Borrower and the Lender hereby agree as follows:

1. **Amendment and Restatement.** The Prior Agreement is hereby amended and restated as set forth herein.

2. **Loans.**

a. Pursuant to the Prior Agreement, the Borrower is currently indebted to the Lender in the amount of \$57,433,784 million with respect to the Loans.

---

- b. The Loans shall be evidenced by a Subordinated Promissory Note in the form of Exhibit A hereto.
- c. The Lender has no obligation to make any additional loans under this Agreement.

3. **Interest.**

- a. The outstanding principal amount of the Loans shall continue to bear interest at the rate of 12% per annum, accruing monthly in arrears on the last day of each month.
- b. Interest accruing on the Loans as provided in Section 3(a) shall not be payable currently but shall be capitalized and added to the outstanding principal amount of the Loans.

4. **Payments.**

- a. Payment and receipt of any amount of the Loans are subject in all respects to the terms of the Subordination Deed (as defined below).
- b. The Loans shall become immediately due and payable in full upon:
  - (i) any Borrower Change in Control (as defined in the A&R COFACE Agreement) or
  - (ii) any acceleration of the maturity of the indebtedness under the A&R COFACE Agreement,provided that the Lender will not take any action to recover any sum due in accordance with this clause 4(a) unless permitted by and in accordance with the Subordination Deed.
- c. Unless previously paid, the Loans shall be due and payable six months after all obligations under the A&R COFACE Agreement have been paid in full.
- d. If a Fundamental Change (as defined in the Fourth Supplemental Indenture by and among the Borrower and U.S. Bank National Association, as Trustee, dated as of May 20, 2013 (the "**Indenture**")) occurs prior to the repayment in full of the Loans, the Borrower shall pay to the Lender, together with the repayment of the Loans, additional interest in an amount equal to the applicable Fundamental Change Make-Whole Amount (as defined in the Indenture).

5. **Subordination.** All obligations of the Borrower to the Lender under this Agreement are subordinated to the Borrower's obligations under the A&R COFACE Agreement and are subject to the provisions of the Subordination Deed between the Borrower, the Lender and BNP Paribas, as Security Agent, dated 5 June 2009, as amended and restated by a Global Deed of Amendment and Restatement dated 31 July 2013 (the "**Subordination Deed**"), a copy of which is attached hereto as Exhibit B. The Subordination Deed is for the benefit of and enforceable by the lenders under the A&R COFACE Agreement, *provided that* the Lender may not require the Borrower to do anything under this Agreement which is inconsistent with the obligations of the parties to the Subordination Deed or seek any remedies for the failure of the Borrower to do anything under this Agreement that is inconsistent with the Borrower's obligations under the Subordination Deed or the other Finance Documents (as such term is defined in the A&R COFACE Agreement).

6. **Warrant.** As additional consideration for the Lender entering into the prior Agreement and making the Loans, on June 25, 2009, the Borrower issued to the Lender a warrant (the "**Warrant**"). The Warrant shall remain in full force and effect in accordance with its terms.

7. **Conversion, et al.**

a. The Lender may convert all or part of the Loans, including any accrued interest thereon, into shares of Common Stock (as defined in the Indenture) of the Borrower upon the terms of Article IX of the Indenture as if the Loans were Securities (as defined in the Indenture).

b. Section 2.01(g) of the Indenture shall also apply to the Loans as if the Loans were Securities.

c. Notwithstanding the foregoing, Sections 9.06(b) and (c) and Section 9.9 of the Indenture shall not apply to any conversion of the Loans. Furthermore, notwithstanding anything herein, and for the avoidance of doubt, nothing in this Agreement or the Promissory Note, and nothing in the Indenture, shall permit the Lender to receive, or the Borrower to make, a cash payment on account of all or part of the Loans (including any accrued interest thereon) or any shares of Common Stock into which all or part of the Loans (including any accrued interest thereon) were converted unless such payment is permitted pursuant to the Subordination Deed.

d. No amendment to the terms of the Indenture after the date hereof shall be applicable to the terms of the Indenture as incorporated in this Agreement without the prior written consent of the Lender.

e. Any reference in the terms of the Indenture incorporated in this Agreement to the "**Trustee**" or the "**Conversion Agent**" shall be deemed to refer to the Borrower for the purposes of this Agreement.

f. If the issuance of shares of Common Stock to the Lender upon the conversion of the Loans would constitute a "Change of Control," "Default" or "Event of Default" under any agreement applicable to the Borrower, the Borrower shall issue to the Lender, in lieu of such shares, an equal number of shares of its non-voting common stock.

8. **Representations and Warranties of the Borrower.** The Borrower represents and warrants to the Lender, with respect to the transactions contemplated hereby (collectively, the "**Transaction**") as of the date hereof, as follows:

a. *Organization and Authority.* The Borrower has all requisite power and authority to enter into this Agreement and to consummate the Transaction. The Borrower is duly incorporated and validly existing under the laws of the State of Delaware. The execution and delivery by the Borrower of this Agreement, the Note and the Warrant and the consummation by the Borrower of the Transaction have been duly authorized. This Agreement, the Note and the Warrant, when duly executed and delivered by the Borrower, will constitute a legal, valid, and binding obligations of the Borrower, enforceable against it in accordance with their respective terms; except as the enforcement hereof may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and general equitable principles whether in a proceeding in equity or at law.

b. *Noncontravention.* The execution and delivery of this Agreement, the Note and the Warrant, the consummation of the Transaction and the fulfillment of and compliance with the terms and conditions hereof and thereof do not and will, not with the passing of time or giving of notice (i) result in a violation of the organizational documents of the Borrower, (ii) violate any law, rule, regulation, provision of any judicial or administrative order, award, judgment or decree applicable to the Borrower, or (iii) conflict with, result in a breach of or right to cancel or constitute a default under any agreement, or instrument to which the Company is a party, by which the Borrower is bound or to which the Borrower is subject.

c. *Title.* Upon exercise of the Warrant in accordance with its terms, or the conversion of the Loans in accordance with the terms of this Agreement, the Lender will obtain good, valid and transferable title to the shares subject to the Warrant (the "**Warrant Shares**") or to the Note (the "**Loan Shares**"), as the case may be, free and clear of all liens, claims and encumbrances whatsoever, and all of the Warrant Shares and Loan Shares when issued will be validly authorized, duly issued and outstanding, fully paid and non-assessable.

d. *Shares.* The Borrower is issuing the Note, the Warrant and any Warrant Shares or Loan Shares pursuant to an exemption from registration under Section 4(2) of the Securities Act of 1933 (the "**Securities Act**").

e. *Broker.* No officer, director, employee or third party shall be entitled to receive any brokerage commissions or similar compensation in connection with the Transaction based on any arrangement or agreement made by or on behalf of the Borrower.

f. *Acknowledgement.* The Borrower acknowledges that the Lender has not made any representations or warranties to it except to the extent of the representations and warranties of the Lender in this Agreement.

9. **Representations and Warranties of the Lender.** The Lender hereby represents and warrants to the Borrower as follows:

a. *Organization and Authority.* The Lender has all requisite power and authority to enter this Agreement and to consummate the Transactions contemplated hereby. The Lender is duly organized or formed and validly existing as a limited liability company and in good standing under the laws of the State of Colorado. The execution and delivery by the Lender of this Agreement and the consummation by the Lender of the Transaction have been duly authorized. This Agreement, when duly executed and delivered by the Lender will constitute a legal, valid and binding obligation of the Lender in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and general equitable principles whether in a proceeding in equity or at law.

b. *Noncontravention.* The execution and delivery of this Agreement, the consummation of the Transaction and the fulfillment of and compliance with the terms and conditions hereof do not and will not with the passing of time or giving of notice (i) result in a violation of the organizational documents of the Lender, (ii) violate any law, rule, regulation, provision of any judicial or administrative order, award, judgment or decree applicable to the Lender or (iii) conflict with, result in a breach of or right to cancel or constitute a default under any agreement or instrument to which the Lender is a party, by which the Lender is bound or to which the Lender is subject.

c. *Securities Act.* The Lender is acquiring the Note, the Warrant, any Warrant Shares and any Loan Shares for its own account for investment only and not with any view towards the public sale or distribution thereof, except pursuant to sales registered or exempted under the Securities Act.

d. *Lender's Qualifications.* The Lender is an "accredited investor" as defined in Regulation D under the Securities Act of 1933 (the "**Securities Act**").

e. *Transfer or Resale.* The Lender understands that the Note, the Warrant and any Warrant Shares or Loan Shares have not been and are not being registered under the Securities Act or any state securities laws and may not be offered for sale, sold, assigned or transferred without registration under the Securities Act or an exemption therefrom, and that the exemption of the Transaction is Section 4(2) of the Securities Act. The Lender understands that a legend restricting transfer except in compliance with the Securities Act will be reflected on the certificates or records representing the Note, the Warrant and any Warrant Shares or Loan Shares.

f. *Broker.* No officer, director, employee or third party shall be entitled to receive any brokerage commissions or similar compensation in connection with the Transaction contemplated by this Agreement based on any arrangement or agreement made by or on behalf of the Lender.

g. *Acknowledgements.* The Lender acknowledges that the Borrower has not made any representations or warranties to it except to the extent of the representations and warranties of the Borrower in this Agreement.

10. **Reporting.** Each party is responsible for making and shall make its own required reports with the Securities and Exchange Commission regarding the Transaction.

11. **Survival.** The representations and warranties of the Lender and the Borrower contained in Sections 8 and 9 and the covenant in Section 10 shall survive this Agreement.

12. **Successors and Assigns.** Neither party may assign this Agreement or its rights or obligations hereunder without the prior written consent of the other party. Subject to the preceding, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

13. **Severability.** If any provision of this Agreement is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or enforceability of such provision shall not affect the validity of the remaining provisions of this Agreement so long as this Agreement as so modified continues to express, without material change; the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or enforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

14. **Entire Agreement; Amendment.** This Agreement supersedes the Prior Agreement, and, except as specifically set forth herein, neither the Lender nor the Borrower makes any other representation, warranty, covenant or undertaking to the other with respect to the matters set forth herein. No provision of this Agreement or the Note shall be deemed to modify, amend or waive any of the terms of, or rights and obligations arising from, the Subordination Deed. No provision of this Agreement may be amended, waived, terminated or otherwise modified other than by an instrument in writing signed by the Lender and the Borrower. Any amendment to this Agreement made in conformity with the provisions of this Section 14 shall be binding on all parties. No provision hereof may be waived other than by an instrument in writing signed by the party granting such waiver.

15. **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and the respective successors, legal representatives and assigns of each.

16. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

17. **Applicable Law.** This Agreement shall be governed by the laws of the State of Delaware, without regard to the choice of law rules thereof.
